Police Report August/September 2022

Hudson's Hope RCMP responded to 44 calls for service between August 16th, 2022 to September 23rd, 2022. 31 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

Additionally, the Hudson's Hope RCMP would like to remind motorists that the marked 30km/hr school zone along Beattie Dr. is active again between the hours of 8am to 5pm, Monday to Friday. RCMP members have been active over the past week in reminding motorists of this and have issued several speeding related violation tickets over the past 3 days.

On August 18th, the Hudson's Hope RCMP received a report of a theft at the Hudson's Hope Public Works Yard. It was found that several litres of fuel and jerry cans had been stolen from the site. File remains open for further investigation.

On August 19th, the Hudson's Hope RCMP responded to a single motor vehicle accident along the Kobes Creek FSR. Upon investigation, police found that the driver incurred non-life threatening injuries and was believed to be under the influence of alcohol. Charges are pending and the file remains open for further investigation.

On August 21st, the Hudson's Hope RCMP conducted boat patrols on Dinosaur Lake to check vessels for proof of competency and compliance with the Canada Shipping Act and Small Vessel Regulations. From the patrol, several vessels were checked and violation tickets were issued to operators for various offences.

On August 23rd, the Hudson's Hope RCMP were called to a possible theft in progress at the Hudson's Hope Senior Secondary School, after several individuals were observed taking items from a large bin outside the school. Upon investigations, it was found that the "insulation thieves" actually had permission to take these items and no offence was committed. Police have also identified the "pint sized" getaway driver from this incident!

On August 29th, the Hudson's Hope RCMP received a report of a break and enter / mischief at the BC Hydro microwave site atop Bullhead Mountain. It was found that unknown persons had gained access to within the site via climbing under the barbed wire. Minor damages were incurred to the site but no access was gained to the main buildings. File remains open for further investigation.

On September 10th, after receiving confirmation that due to the local Battleship Mountain Wildfire, the current Evacuation Alert for the area had been stepped up to a full

Evacuation Order for the entirety of the Hudson's Hope Township. With the assistance of SAR's, HHFD, and the EOC, the RCMP was able to conduct a full evacuation of the town with minor issues and minimal resistance. The Order was rescinded later in the week, and the RCMP assisted the BCWF and EOC in making the town safe for all residents to return home. It was found that no major issues in regards to the safety and security of personal residences had occurred while residents were away from their homes. This is due to the amazing joint efforts from all the involved agencies and local persons who assisted during this incident. From all of us here at the Hudson's Hope RCMP, we would like to say a big thank you to all involved in keeping our community safe.

On September 20th, the Hudson's Hope RCMP received a report of shots being fired at the Hudson's Hope Airstrip/aerodrome. Upon investigation, police located and arrested an individual for careless use of a Firearm after it was determined that a firearm had been discharged several times in an unsafe manner, which endangered local residents. This file remains open for investigation and court processes.

Last of all, here are some words from newly promoted, Sgt. Rob Gardner, who recently left the Hudson's Hope RCMP after taking a new posting elsewhere in the Province:

Well Hudson's Hope, as many of you know, I have been promoted and recently transferred from your amazing community. When I arrived in May 2020, we were all learning to navigate with the global pandemic and I left right after the evacuation order lifted from the wildfire 2022.

Small communities like yours is bittersweet for police officers. You take us into your community and make us one of your own. We have the chance to learn so much, that sometimes it allows us to advance our careers which makes us leave your community quickly.

I'd like to thank you all for the experiences and chance to live, play and work in your community. I will be back to visit and say Hi!

Continue to look after each other and enjoy everything the area has to offer. I have so many memories and stories to share.

*Thank you,
Cpl Rob Gardner (now Sgt!)*

On this note, I would like to inform the residents that I, Cst. Erich Schmidt, have been put in place as the detachment's Acting Commander for the foreseeable future. I will continue to provide the same professional and often amusing police services for this great community that my family and myself call home.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

HOPE FOR HEALTH SOCIETY

Hope for Health Society, with funding from the First Nations Health Authority, was able to offer two workshops on mental well being. Stan Fraser, a strong advocate for mental wellness, founder of Walk & Talks, presented at the HH Public Library on August 31st. Stan relayed his personal journey of mental health and addiction. H4H also organized an informal "Open Chat" style gathering addressing the issues youth face after graduation. H4H hopes to offer more workshops, maybe develop a series. If you'd like to get involved with H4H, please reach out. We welcome new members, new ideas, and support. Contact Greta Goddard for more information at 250-783-0855.

Thanks to all for your support through this trying time. A huge shout out to all who were willing to help: BC Hydro, the Fire Department, Pro-Med, Peace View Enterprises, Butler Ridge Energy Services, Hudson's Hope Road Secure, Stride and Glide, BC Athletics, volunteers and participants! Thank you to the District of Hudson's Hope for financial assistance. Thanks to Hudson's Hope School for the use of their facility. Walk-In Book Club: Our August book club title is “Circus Train” by Amita Parikh. This title will be available for two more weeks, so get it quick if you would like to read it. “The Circus Train will take readers on a heart-wrenching and spectacular two-decade journey across Europe. When all is lost, how do you find the courage to keep moving forward?”

Our September title, “This Time Tomorrow” by Emma Straub, is about Alice, who wakes to find “herself back in 1996, reliving her 16th birthday. But it isn't just her adolescent body that shocks her, or seeing her high school crush, it's her dad: the vital, charming, 40-something version of her father with whom she is reunited. Now armed with a new perspective on her own life and his, some past events take on new meaning. Is there anything that she would change if she could?”

Library Layout Project: During the last two weeks of August, we started updating our library layout! There are a few outstanding portions of the project yet to complete. I am writing this before we even start the project! So if all goes to plan, by the time this Bulletin is in print, we should be done all of the layout shifts! All sections and office areas have been relocated. In the end, that even included a section shuffle within the children’s library, so the little ones do not feel left out of the layout changes.

We are so excited to share our new space with you all! We already know that we need to extend the work in to the first and possibly second week of September, as our office partition vendor order is due to arrive by September 8th. This portion of the work should not impact availability of our collections.

As this is being written, we are still making plans for further spending in accordance with our annual capital budget, which may include a new printer, programming tables and an additional amount of funds set aside specifically for this layout project.

Provincial Grant: As mentioned in last month’s Bulletin, we were awarded a provincial grant for \$26797.75 from the Ministry of Municipal Affairs. This grant is for COVID-19 relief and recovery as well as emergency preparedness. We allocated approximately \$18,500 for the layout project, including the partitions, extra staff hours to carry-out the project, as well as additional furniture and shelving upgrades. A further \$4400 has been used for updating two of our staff computers to laptops with docking stations, and the final \$3900 will supplement our staff wages through 2023 to support emergency planning and preparedness policy updates.

Library Programs: We require that all children and youth attending our programs be pre-registered, with the exception of teens who may self-register. Please pay attention to PSAs and our Facebook page for program updates, if any changes or cancellations need to be made, we will announce them on those platforms.

Katie Norton, Assistant Programmer

Summer Reading Club 2022 has officially come to an end and it was a total blast!! Over the seven weeks of my program, so many different kids were able to show up and we all had a great time reading, laughing, crafting, and so much more!

Across the four different age groups, we had quite a few winners of many different fantastic prizes. These consistent club goers have either conquered their club group by reaching the most reading goals or by attending the most club meetings. Congratulations to Zelda, Rinoa, Ethan, Carolie, Sam, and Cole!!! Great job guys!! 😊

It has been a lovely summer working at the library and having the pleasure to run this years Summer Reading Club, but now I must say my goodbyes. I am leaving behind both SRC and Hudson's Hope as the summer comes to an end. I am looking forward to my possible return to Summer Reading Club next year. I bid you all farewell and happy reading!!

Shellie Howard, Children & Youth Program Librarian

I hope everyone has been enjoying their summer!!! I know it is going by way to fast for me. Due to our rearranging the library, library clubs won't be starting until the third week of September. I am so excited for the layout change, I hope you all come in and see how it looks. Can't wait!!! J

I would also like to give a huge shout out to Katie Norton, she ran the SRC program this summer and did a fantastic job!!! I have enjoyed working with Katie very much, she is GREAT and I will miss her when she is away at University. Thanks again Katie J

We have crafts available, painting, drawing, games, gaming, movies, juice, teas, lattes and hot chocolate available. Snacks/food are always welcome if your teen wants to bring some along. Every second month, starting with October 6th, is our late night, we go from 5-8. The next late night will be December 1st. We have a teen book club starting October 6th for teens that want to read, this is not mandatory...its only if you want to read a book and discuss it, there is also the option of reading on book out loud with the group a couple chapters at a time. These suggested themes will be discussions that we will partake in on our first few teen drop-in nights so that teens have more say in the type of program that they want to belong to.

Nancy Smith, ILL Librarian & Bookkeeper

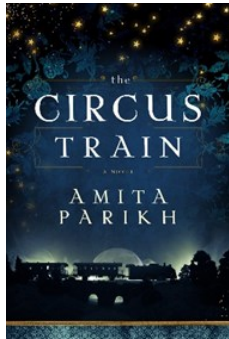

Book Club Sets: Almost all of the new book club sets have been catalogued and are ready to circulate, while all of the deleted sets have been redistributed to their new homes throughout the province. Reach out to Nancy to choose from the available book club set collection or to have her bring in a number of the same title from libraries all across BC! Email your ILL requests to ill.hhpl@pris.ca with your requests or call (250)783-9414.

Donations: Your donations are being accepted again. We have an ongoing book sale which is by donation. Due to the reduced amount of books for sale that we will have on hand from now on, we will be implementing a continuous method for deletions, so each month there will be a fresh selection of deleted titles.

We would like express our thanks for donating used books this past month:
