## Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

### BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

### Heating Equipment Smarts

**Install** wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

**Install** and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

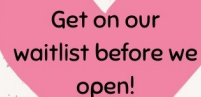

### FACT

Half of home heating fires are reported during the months of **December, January, and February.**

## BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

## Police Report October / November 2022

Hudson's Hope RCMP responded to 16 calls for service between October 20<sup>th</sup> to November 21<sup>st</sup>, 2022. 28 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

On October 24<sup>th</sup>, the Hudson's Hope RCMP received a report of property damage to an apartment complex along Paquette Ave. Upon investigations it was found that there were no criminal aspects to the incident and that the matter was to be taken up in Civil Courts.

On October 27<sup>th</sup>, Hudson's Hope RCMP stopped a motorist for speeding in the school zone along Beattie Dr. Upon identifying the occupants of the vehicle, it was found that one of the occupants had several outstanding warrants out for their arrest. Subsequently, the individual was arrested and brought before a judge.

On October 28<sup>th</sup>, the Hudson's Hope RCMP received several complaints for motorists speeding through the new Farrell Creek bridge projects area. Upon police conducting patrols, several vehicles were stopped and multiple violations tickets were issued to drivers this day.

On November 2<sup>nd</sup>, the Hudson's Hope RCMP received several calls regarding a deer that had "stolen" some Halloween decorations from a local residence and was now wearing this item atop its antlers and was seen sporting it around town. Cst. SCHMIDT located the 4-legged thief, easily identifiable given the white webbing headdress that he was then wearing, and upon

trying to apprehend the suspect, he fled from police. Due to not being able to catch up to the suspect in a foot pursuit, local Conservation was notified and plans were made to try and apprehend this suspect in a different manner, so to retrieve the stolen item. Two days later, it was found that the 4-legged thief had discarded this item amongst a tree and was no longer trying to hide his antlers. It is belief that this buck was merely trying to disguise himself during hunting season so no charges were sought.

On November 5<sup>th</sup>, the Hudson's Hope RCMP received a report of a single motor vehicle accident along Kobes Creek FSR. Upon investigations, it was found that the vehicle had slide off the road and flipped. No injuries to the occupants. Alcohol and speed were determined to be the main factors behind the incident and charges are currently pending.

Being that Christmas is just around the corner, Cst. SCHMIDT would like to announce that he and his family, along with the support from the Friends of Hudson's Hope, the District of Hudson's Hope, and local businesses, will be conducting the annual "12 Days of Christmas Giving" toy drive again this year. As per the flyer that will soon be published, between December 1<sup>st</sup> to the 12<sup>th</sup>, we are looking for a variety of new toys and gift cards for ages 0-18, winter clothing for boys and girls, ages 6-12, as well as nice items for our seniors. Any and all monetary donations can be made payable to: the Friends of Hudson's Hope Society and dropped off at either, the Hudson's Hope District Office, the Hudson's Hope Thrift Store, or the Hudson's Hope RCMP detachment. Our aim this year is to fully fill a police vehicle with donations. Drop-off locations for other donations will be detailed on the "12 Days of Christmas Giving" flyer.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Jarnagin, Summer Matheson, Yahel Portnov, Emma Redekop, Quinn Rice, Hannah Searls, Leneya Vig, Nero Weder.

**Congratulations to our School Volleyball Teams.** The **Seniors** enjoyed a successful 2022 season, competing in numerous tournaments. The girls finished off with a strong showing at the B.C. Zones tournament in Mackenzie. A big thank you to Brent Heiberg for once again volunteering many hours and **weekends to support our students.**

Our **Junior** Girls also competed in numerous tournaments, winning plenty of matches against Northern Competition. Thank you: Hanna Scott, Roxanne Beebe, and Nicole Gilliss for supporting these great players.

Our **Elementary** Mixed team, and Girl's Team had a great season. We won some matches both at home, and away. We also competed well in the District Tournament in FSJ, winning many matches. Outstanding team spirit and attitudes!

A big thank you to our Senior Girls for officiating our games, and to Hadley Gilliss, Penelope Mercereau, Maddie Beebe, and Addison Carruthers for helping (and also running) many of our practices.

**Fantastic work HAWKS!**

**Junior Firefighter Program:** It was very difficult to choose only 4 candidates for this excellent program. Congratulations to: Quinn Rice, Keirsten Deitner, Hannah Searls, and Ginger Lucas-Jarnagin. A big thank you to our local fire department for supporting our students, and helping these young students to learn some valuable skills (and be part of a great team).

**Fire Prevention Week** – Our elementary students participated in some fun activities provided by our local fire department. Also, one student from each class had their name drawn, and the winners had the opportunity to get picked up and driven to school in a fire truck. There was a lot of excitement

each morning a student arrived at the school in “Engine 1”.

**Congratulations to Hannah Searls who has successfully become a member of B.C. Youth Parliament.** Hannah is one of 97 youth chosen across the province to take part in a five-day simulation of the Westminster Parliamentary System. This is a fantastic opportunity for Hannah to gain valuable experience with legislation, public speaking, and the governing system of B.C. **Way to go Hannah!**

**10 Days of Goodwill** – Based on feedback from the Friends of Hudson’s Hope, we are changing the focus for some of our collection themes. Folks are welcome to donate items to the school between 9:15 & 2:45 from Nov 28-Dec 9<sup>th</sup>. Here are the themes:

**Macho Mondays** – Taco Kits, Hamburger Helper, Pizza kits.

**Toiletry Tuesdays** – Deodorant, toothpaste, shampoo, Conditioner, hygiene products, etc.

**Working Wednesdays** – Lunch snacks (small puddings, cheese/crackers, fruit roll ups, etc.).

**Thirsty Thursdays** – Juice boxes, hot chocolate, etc.

**Freebie Fridays** – Any variety of the above days.

**Remembrance Day Assembly** – Our students provided meaningful presentations to our student body. Many students also shared artifacts from their families. Thank you, Ms Baytaluke for organizing and running this assembly.

<b>Amber Norton, Library Director</b>				

**Library Closure Dates:** The library will be closed on December 22<sup>nd</sup> through January 2<sup>nd</sup>.

**Walk-In Book Club:** The first walk-in book club pick for December is “Four Winds” by Kristin Hannah. This book rates 4.3 on Goodreads! “The novel is a sweeping, emotional story of love, family, and survival, set in Texas and California during the dark days of The Great Depression. It is a portrait of one indomitable woman who will do anything to keep her family together.”

The second title is “You Have a Match” by Emma Lord. “When the DNA service reveals Abby has a secret sister, shimmery-haired Instagram star Savannah Tully, it’s hard to believe they’re from the same planet, never mind the same parents—especially considering Savannah, queen of green smoothies, is only a year and a half older than Abby herself.”

**Sipology Fundraiser:** In case you haven’t seen our advertising on Facebook and PSA, we have an ongoing Sipology fundraiser until December! Just visit the link below to see a few special items available from Sipology, including some really great teas and tea accessories. Each order is set up with a low \$3 flat rate shipping so that your items can be dispatched directly to you, no waiting around for a group order to be sent! This fundraiser is to raise funds for our Children’s programs! These funds will help us to provide extra special programs on Early Dismissal days from school since our programs are a whole hour longer on those days.

<https://fundraise-ca.sipology.com/collections/hudsons-hope-public-library>

**Purdy’s Fundraiser and Chocolate Sales:** Thank you so much to those of you who supported our Purdy’s Fundraiser by purchasing treats online as well as those who came in and dropped off paper orders. We really appreciate all of your support.

We have an assortment of the most popular items that were ordered by locals, so you haven’t missed out if you missed out on ordering! Come on in to the library while supplies last! They will be ready for purchase after all of the customer orders are bagged up and ready to go. Watch Facebook and PSA for more information.

**Purdy’s Raffle:** We will be selling raffle tickets for the big Purdy’s basket! Tickets will be \$5 each or 5 for \$20! We will sell them at the library but will also be attending a few local events to sell tickets. As the Bulletin is being written, we are still settling on what events and when the draw will be made.

Check Facebook, PSA and local bulletin boards, there should be information circulating now that the Bulletin is published! We will likely start selling them before the chocolate is in but the basket will be on display in the library as soon as our order arrives!

**Library AGM:** We will be having the library board AGM at the end of January or February. More information will be available in the next Bulletin, as the date for this meeting will be officially scheduled at our next scheduled Board meeting. We currently have room to add one Trustee before the AGM and will have space for up to 2 more again at the AGM. If you are interested please feel free to talk to Lorna Winnicky, the Board Chair, for more information.

**Booklyn the Elf** is back! And there are so many new nooks and crannies to hide in since our layout change! We are so excited for everyone to come in and find her to get entered in to our annual draws! She will be ready to start her Elfie Shenanigans right away on December 1<sup>st</sup>!

Last year we started splitting up the items in to four categories, and it was so well accepted that we are going to do it again! We will likely have baskets for baby/toddler, kids, tweens/teens and adults!

This depends on what items are donated so that we can plan out each basket as evenly as possible. Remember, this draw is completely free to enter.

Can't make it in to the library during business hours? Find Booklyn the Elf on our website for a chance to win a \$25 Chapters Gift Card from the staff here at the Hudson's Hope Public Library! <https://hudsonshope.bc.libraries.coop/> More details will be posted on the website. Enter once per hiding spot. 😊

Each prize basket is filled entirely from your donations, personal and business donations are welcome. We accept item donations but also monetary donations can help staff to buy items to help fill out basket categories for a more even distribution. We already have three days' worth of prizes in mid-November! Don't forget that businesses that have donated prizes get your business advertised on one of our daily Facebook posts! If you want to

## Hope for Health Society December 2022

Hope for Health is a non-profit society that has been community focused since its inception in 2014. The mandate of Hope for Health Society is to increase the holistic health and well-being of our community: physical, environmental, nutritional and mental well-being. We work to achieve our goals through programming, events, and educational opportunities that align with our mandate.

Hope for Health Society is committed to remaining active (pun intended) for our community. We are delighted to introduce you to the new board: Greta Goddard, Colleen Gillie, Amber Norton, Starr Gauthier, Liza Rhymer, Serena Matchett, Sean Bailie, Jessica Eastman and Sarah Schnare. A huge thank you to all former board members who worked to keep this dream alive and possible. We always welcome community input. If you have ideas, wish events, feedback, or want to get involved, we encourage you to reach out to us and we will sincerely try our best.

So what have we been up to?

That Dam Run was back on the in-person agenda in September 2022, but we all know that the Battleship Fire Evacuation forced it to a virtual run. Despite this, That Dam Run was a success. So grateful for all the folks who signed up, to those who showed up wherever they were, and to all those who supported this event in so many ways behind the scenes.

Thanks to our team, we participated in the Fall Sign Up Night. A shout out to Starr and Colleen. A thank you to the District for hosting the event, thanks to those who stopped to check out the "best dressed table", and congratulations to Billie Naisby for guessing the hidden prize- a jar of local honey.

With grant funding from the FNHA, Hope for Health was able to offer a mental health workshop with Walk & Talk's Stan Frazer and an open chat about life after high school.

With support from ISPARC, we offered two free Lacrosse camps with professional instructor Savanna Smith for our community youth. A huge thanks to Hudson's Hope School for their support for these camps.

For all you who donate and those bottle cap removers and pre-bottle sorters, THANK YOU, because it makes doing the Bottleshed so much easier, cleaner, and nicer to do. Shout out to Bottlehead organizer extraordinaire, Lannie, for allowing Hope for Health the opportunity to raise some funds for our Society. Thanks to Lannie, Liza, Brigid, Greta, and Starr for their volunteer time.

And we'll be defying the longest darkest day of the year by hosting a HoHo Holiday 5 km walk/run on the winter solstice, December 21st. You can register for this event and be a part of the Santa's Health Squad, support Make-a-Wish Foundation or you can just festively dress and join us for some seasonal fun. Check out the poster for more details. Everyone is welcome. Look for our team in the District Christmas parade where we'll be cheering loud! Wishing everyone a Merry Christmas; have a safe and active holiday
