CHRISTMAS TREE PICK-UP

One Day Only

JANUARY 9, 2023

The District of Hudson's Hope Public Works Department will be picking up Christmas trees along all regular garbage routes on January 9th, 2023.

Please ensure your tree is placed at the curb by 8:00 am on **January 9th, 2023.**

Should you wish to dispose of your own tree, you can put it in the compost area of the transfer site.

Please DON'T FEED THE DEER

- * It makes deer more habituated to people
- * Handouts artificially increase their numbers, causing starvation in severe winters
- * potential to entice larger predators into the community

WILDFLOWERS CHILD CARE

would like to say **THANK YOU Hudson's Hope, for another successful year!**

This year 2022 has been an amazing year. Wildflowers ran a successful Enrichment program from January to June, said goodbye to children off to kindergarten, said goodbye to children who moved away, and welcomed new full-time families. Wildflowers watched as children learned to speak their first words, walk, be potty trained, read their first words, develop social skills, learn cooperative play, and explore all that the outdoors had to offer. We searched for tadpoles, frogs and toads, grew our own garden tower, explored the forest, hunted for dinosaurs and fed the chickens! Currently, we are full and are not able to offer part spaces or the enrichment program. It doesn't mean these will not be available in the future, just not right now, so stay tuned!

Wildflowers Child Care welcomed teacher Jesse aboard as a part time Early Childhood Educational Assistant after she completed and earned her certification. This month we both attended and recertified our First Aide certificates.

Wildflowers believe in going above and beyond, this includes supporting families seeking support from the Child Development Centre, a specialist, or a support system to benefit their current journey as a family. **Wildflowers Child Care is a Benefit corporation and believes in supporting families and community.**

Wildflowers Child Care always seeks to find ways to keep daycare fees low and this year was no different. This Fall **Wildflowers Child Care signed a new partnership agreement with the Province of BC** enabling Wildflowers Child Care to offer new lower rates.

Starting December 2022, Fulltime daycare fees were almost cut in half! That means for parents, their fee portion is now as follows: **children under 37 months is \$533 per month and for children 37 month & older it is \$490 per month!** This rate is based on the average 20 days per month.

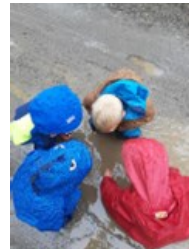

Wildflower Child Care every year picks a non-profit to support and donate to. This year, Wildflowers Child Care has chosen to support the **HUDSON'S HOPE PUBLIC LIBRARY** with a \$500-dollar donation.

Anyone wanting information on our services or to be put on the waitlist for daycare please send an email to wildflowers-childcare@outlook.com

MERRY CHRISTMAS AND A HAPPY NEW YEAR

A Huge THANK YOU!

A huge thank-you for all your concern and prayers for Merv in his recent medical emergency. The HH Emergency Response Team was amazing. Also thanks to Dr Courtney for insisting FSJ hospital retest to find out what was wrong and, I believe, prevent Merv from having a major stroke! Merv is home, doing well, after undergoing surgery in VGH for a blocked carotid artery.

Thanks again! 🙏

Police Report November / December 2022

Hudson's Hope RCMP responded to 11 calls for service between November 21st, 2022 and December 12th, 2022. 20 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

Please make note of the numerous construction sites along Hwy 29, between Hudson's Hope and Fort St. John. Due to the increase of work sites along the highway, there is a large fluctuation between the speed zones for each site. Police will be monitoring these areas as they are a posted construction zone and fines will range from \$196.00 to \$253.00 for speeding violations within a marked construction zone.

On November 29th, the Hudson's Hope RCMP received a report of a sighting to possible stolen property. Police received information that a snowmobile which had been stolen back in 2012, was possibly sighted at a local residence. Police attended the residence to conduct an investigation but were unable to gather further evidence at the time to support that this sled was stolen. File remains open for further investigations. The Hudson's Hope RCMP would like to remind buyers that when purchasing used ORV's through private sales, it is best practice to conduct checks on the units VIN prior to purchasing, so to confirm that this unit is not part of a stolen property investigation. This can be conducted through ICBC or your local RCMP detachment.

On December 5th, the Hudson's Hope RCMP were advised to loose bison along Canyon Dr. after several bison nearly caused a motor vehicle accident. Police attended the area in which the furry suspects were last observed, and though fresh tracks were found, police deemed it unsafe to conduct a track through the frozen forests, therefore no confirmation could be made as to whom the owner of these furry escapees was.

On December 9th, the Hudson's Hope RCMP received a report of a Facebook fraud attempt. It was reported that an individual received a Facebook message from an unknown person who provided a link to a 50k grant. Upon following the link and applying for the said grant, the individual was asked to provide their photo identification and bank card information. Upon forwarding some of this information, the individual then received further communications requesting \$900 to process the grant. Fortunately, the individual did not send the requested funds and the incident was reported to police. This incident has since been forwarded to the Canadian Anti-Fraud Centre for further investigations.

I am happy and proud to announce that the Hudson's Hope RCMP "12 Days of Christmas Giving" toy drive was another success for the 4th year in a row. This success stems from the community and local businesses embracing this event with open arms. This is what makes this community so special. We all come from somewhere, whether here for work, or born and raised, this openness to working together to support each other is something the community as a whole can be proud of! I'd like to say thanks to the following local businesses and organizations for their generous donations: BC Hydro, North Peace Savings & Credit Union, On the Rim, Hudson's Hope Road Secure, Butler Ridge Energy Services, Twisted Yoga, and the Hudson's Hope Minor Hockey Team. A special thanks to our partners who helped make this event successful: The Friends of Hudson's Hope Society, Hudson's Hope Elementary – Secondary School, and the District of Hudson's Hope. A HUGE thank you to the community of Hudson's Hope for all of your gracious donations. Lastly, I would like to give my heartfelt appreciations to my hardworking and lovely wife (JJ) and daughter (Freyja) who are the backbone behind this event. This event would not be so successful each year without your hard work and dedication to the acting of giving. I'm very proud of you both.

From everyone at the Hudson's Hope RCMP, "Happy Holidays to all, and to all a good night".

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnbc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

Preparing an Emergency Kit for Your Car

Slippery or snow-covered roads, reduced visibility and bitter cold are all conditions that can make driving difficult and even dangerous during cold-weather months. Winter also brings an increased risk of getting stuck in your car, so dress warmly before heading out.

Emergency Car Kit

If you have a car, prepare an emergency car kit and keep it in the vehicle. The basic emergency kit for cars should include the following items:

Check off the items for your 72-hour emergency kit as you accumulate them.

Top of Form

- ☐ Food: That won't spoil, such as energy bars
- ☐ Water: In plastic bottles so they won't break if frozen (change every six months)
- ☐ Blanket
- ☐ Extra clothing and shoes
- ☐ First aid kit: With seatbelt cutter
- ☐ Small shovel, scraper and snowbrush
- ☐ Candle in a deep can and matches
- ☐ Wind-up flashlight
- ☐ Whistle: In case you need to attract attention
- ☐ Roadmaps

Amber Norton, Library Director

Library Closure Dates: Regular hours and programming start back on January 3rd.

Walk-In Book Club: The first walk-in book club pick for of the year is “Klara and the Sun” by Kazuo Shiguro. A Goodreads Choice Award winner, came in second after being nominated for Best Science Fiction in 2021 on Goodreads! “In Klara and the Sun, Kazuo Ishiguro looks at our rapidly changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?”

The second title is “You Have a Match” by Emma Lord and is available for the first two weeks of January. This book was a Reese Witherspoon Hello Sunshine YA book club pick last winter. It is also a Goodreads Choice Award winner and nominee for Best Young Adult Fiction in 2021.

Sipology Fundraiser: In case you have not seen our advertising on Facebook and PSA, we have an ongoing Sipology fundraiser that was extended through January! Just visit the link below to see a few special items available from Sipology, including some really great teas and tea accessories. Each order is set up with a low \$3 flat rate shipping so that your items can be dispatched directly to you, no waiting around for a group order to be sent! This fundraiser is to raise funds for our Children’s programs! These funds will help us to provide extra special programs on Early Dismissal days from school since our programs are a whole hour longer on those days.

<https://fundraise-ca.sipology.com/collections/hudsons-hope-public-library>

Purdy’s Fundraiser and Chocolate Sales: Thank you so much to those of you who supported our Purdy’s Fundraiser by purchasing treats and tickets for the basket raffle! At the time this is being written, we have earned over \$1200!

Library AGM: We will be having the Library Board AGM at the end of February. More information will be available in the next Bulletin. The date for this meeting will be officially scheduled at our next scheduled Board meeting, it is tentatively February 22nd. We currently have room to add one Trustee before the AGM and will have space for up to 2 more again at the AGM. If you are interested please feel free to talk to Lorna Winnicky, the Board Chair, for more information.

Booklyn the Elf had a great time causing festive shenanigans throughout the library! Thank you so much to all who donated for the free annual basket draw.

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper

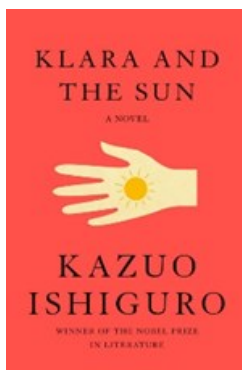

InterLibrary Loan: When ordering ILLs, we need to adhere to the original library's lending policies. Please make sure that you are able to keep a book by checking in with any of the library staff. Often if a title may not be renewed, it is noted on the lending paperwork and we try to let our patrons know when an item is not available for renewal. Most items, ordered through Sitka Evergreen's InterLibrary Connect, can be renewed based on the policies already built in the integrated library system. We do try to renew and give you a verbal confirmation of your renewal, as at times a renewal cannot be processed due to the item being needed by another patron. Usually you are able to renew twice online but if an item is not letting you renew, it is likely due to a hold or the lending libraries internal policies.

Please contact our staff for a tutorial on how to use the My Account feature on our website, to sign up for your own library card, or to simply place a hold or ILL. If you would like to order in an item that we do not own in our library, please email Nancy at ill.hhpl@pris.ca or call (250)783-9414 to request your items. You can order books, audiobook CDs as well as DVDs from most libraries.

You can go to our library website hudsonshope.bc.libraries.coop and click through *Using the Library* and *Borrow from Other Libraries* to find information about how to order InterLibrary Loans.

Please contact us if you are having trouble accessing your account online.

Walk-In Book Club Titles

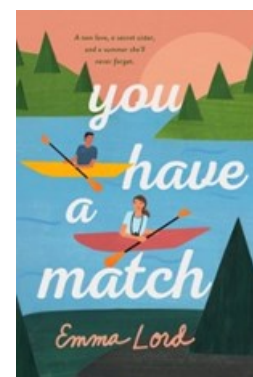

“Our generation still carry the old feelings. A part of us refuses to let go. The part that wants to keep believing there’s something unreachable inside each of us. Something that’s unique and won’t transfer. But there’s nothing like that, we know that now. You know that. For people our age it’s a hard one to let go.”

— Kazuo Shiguro

“I feel the full force of what happened a year ago, and a staggering appreciation for everything that has happened since. For the way my days then look almost nothing like my days now. For the little things that snowballed into big things, that gave me the life I have today.”

— Emma Lord

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January, and February.**

Results That Move You

Hello Hudson's Hope, please let me introduce myself to our new residents and any residents I have not had the opportunity yet to meet. I'm Nicole Gilliss. Many of our residents have known me as **"The Local Realtor"** for the past 10 years. I am also the School Board Trustee representing Hudson's Hope on School District 60 Board and I continue to occasionally work as a Combined Laboratory and X-ray Technologist where extra help is needed throughout the Province. Perhaps some of you even remember when I worked in Lab and X-ray at the HH Clinic? Since 2008, I have lived, worked and raised my family in Hudson's Hope. I can't believe it's already been almost 15 years! Maybe some of you don't know I was born just up the road a little, in Fort St. John, where my mother, siblings, nieces, nephews, uncles, aunts and cousins still reside. Our family's residency in the North Peace extends back 5 generations to my great grandparents, who broke land in Montney in the early 1900s.

In my over 14 years in Hudson's Hope, I have served on Municipal Council, volunteered at various levels, participated in many events as well as spear headed many events. On a professional level I have donated and sponsored many local events with gifts, monetary donations etc. I have always felt it was important to be involved in our little town, I support local business and local groups.

Together we are Better.
Thanks for your consideration.
