Police Report April/May 2023

Hudson's Hope RCMP responded to 47 calls for service between April 18th to May 23rd. 62 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On April 28th, the Hudson's Hope RCMP conducted a routine check-stop along Hwy 29, near the entrance to Dinosaur Lake. During this check-stop, police checked approximately 50 motorists for sobriety, seatbelts, and vehicle insurances/registration compliance. Two stops of interest were generated during this check-stop, with a suspended/unlicensed driver, and a prohibited driver being found and later charged.

On April 29th, the Hudson's Hope RCMP stopped a motorist along Beattie Dr. for speeding and upon the investigation, police found the driver of the vehicle to be impaired by alcohol. This driver received a 3-day driving prohibition and an impound of their vehicle.

On May 2nd, the Hudson's Hope RCMP received a report of mischief to a vehicle along Beryl Prairie Rd. It was reported and confirmed that an unknown suspect removed several bolts from the rear differential and had cut the brake lines of the vehicle which was parked on private property. This act was conducted in a malicious nature for unknown reasons at this time and the file remains open for further investigation.

On May 7th, the Hudson's Hope RCMP received another report of a loose bison that was roaming along Canyon Dr. and impeding traffic. The attending RCMP member located the furry suspect and was able to herd the beast off the roadway and into the nearby wooded area. The owner of the bison was contacted and all details were forwarded to the Peace Area Range and Agricultural Officer.

On May 12th, Hudson's Hope RCMP stopped a motorist along Hwy 29 for speeding and upon speaking with the driver, it was confirmed that the driver was under the influence of alcohol. Upon a roadside sobriety test being administered, the driver failed and was issued a 7-day driving prohibition and an impound of their vehicle.

On May 16th, the Hudson's Hope RCMP received a report of a mischief to a vehicle along Dudley Dr. It was reported that a window had been smashed out of the local Lions bus but no other damages were found. This file remains open for any possible leads or witnesses.

On May 17th, the Hudson's Hope RCMP received a report of an attempted assault with a vehicle. It was reported that the suspect had intentionally swerved their vehicle toward the victim and missed them by a mere foot. The driver was positively identified and was later charged with dangerous operation of a motor vehicle and assault with a weapon. This matter is now before the courts.

Between May 20th to May 22nd, the Hudson's Hope RCMP were out in full force for the May long weekend. Several check-stops were conducted in the known hotspot areas and police issued several driving prohibitions for impaired driving with all vehicles and ATV's/ORV's being impounded. Police further conducted ATV patrols throughout the back roads and trails, checking for ATV/ORV safety compliance and Wildfire checks. Several tickets and fines were issued for safety infractions and two Wildfire tickets were issued to individuals found to be contravening the fire ban.

On May 22nd, the Hudson's Hope RCMP were called out to a report of shots fired near the area known as Second Beach. Upon investigation, it was found that an individual had fired a single shot into an empty side x side after a verbal altercation had occurred between two parties. Police located a suspect who was later charged. This matter is currently still under investigation.

On May 22nd, the Hudson's Hope RCMP attended a residence off of Beryl Prairie Rd., after receiving a report of a large open fire being ignited. Police and Fire located a large open fire that was being used to burn garbage and debris. Being that the fire was in contravention of the current fire ban, the resident was issued a ticket under the Wildfire Act with fines totaling close to \$2,000.00.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

River of the Peace Metis Society

COMMUNITY REPORT

Spring/Summer 2023

The spring has been busy for River of the Peace Metis Society this year. The Northeast Aboriginal Business Centre held a “Target” course here in Hudson’s Hope. We had ten students enroll in the course which dealt with computer training, tickets needed to work in the gas & oil industry and tourism & hospitality industry. Also, how to start your own business courses. Upon completion, all participants received a certificate of achievement for successfully completing the “Target” skills and training program. Thank you Carol Paynter (facilitator) and Corinne Stephens (NEABC) for this wonderful program.

From left to right back row: Shawn Shepherd Jr., Peggy Olanski, Sherry Stevenson, Lynn Blythe, Irene Finlayson, Tracy Lafreniere, Alie Haagsgman, Judith Trottier.

From left to right front row: Carol Paynter, Corinne Stephens, Denise Linley, Valerie Paice and Janice McCarthy.
Missing is Sarah Klassen (she is taking the picture!)

River of the Peace Metis Society generously sponsored the Tested True Archery Club, to enable them to purchase targets and equipment. A big thank you for the recognition with the signage.

The Mother's Day Pancake Breakfast was a success with approximately 60 people coming out for it. It was great to spend time with friends and neighbours and promote our little gallery and gift shop.

We will be sponsoring the pancake breakfast at the Hudson's Hope Rodeo on July 9th. Excited to see the Rodeo happen again in Hudson's Hope.

We have had great success with our reflexology sessions. Next one will be on June 9th, so anyone wishing to book an appointment please call early to get a space. Price is \$45 per person, which is a great deal.

On June 23rd, Lynnette Desjarlais, MNBC Minister of Health, will be hosting a free BBQ at the Pearkes Centre from 11 am to 4 pm. This will be a Health and Wellness session and all are invited to attend. This will be our Indigenous Day celebration.

The gallery and gift shop will be open Wednesday to Saturday from 1 pm to 3 pm. We have loads of new items, so come on down and have a look around.

Have a great summer!

Respectfully, Valerie Paice, President

tary-Secondary School

Classroom Champions – May 11th was a very exciting day for our school. Our Classroom Champion (Orion Edwards) visited our school to share his accomplishments, leadership, and vision with our students. The Classroom Champions team shared beautiful presentations to our whole school, provided lunch to the school, and honoured Mrs. Bach for her many years of commitment to Classroom Champions and our students. Thank you Petronas for being such a huge support to our school and our community!

Earth Day Cleanup & Jump Rope for Heart – Our students and staff (as well as Orion Edwards and the team from Classroom Champions) had a very active day on May 11th. They worked hard to help clean up our small community, picking up litter and recycling throughout the town. A big thank you to the DoHH for providing supplies. Also thank you to our local RCMP for ensuring our students were safe and encouraged. Once we finished up our Earth Day activities, we began some heart pumping “Jump Rope for Heart” action. Our students were really active and engaged. It was a fun afternoon with beautiful weather. Way to go HAWKS!

Our "Sports Day" took place on May 18th. Our students enjoyed a great day, friendly competition, as well as some school-wide challenges. Thank you Mrs. Herrington for working so hard to organize this day for our students. Once again, a big thank you to our many parent volunteers!

Go HAWKS Go!

Happy Retirement!

Please join us as we extend best wishes to Darren Anderson, who retired from the District on May 31, 2023. Darren joined the District Public Works team in 1999 as a casual and was hired permanent in 2002. That year he also joined the Fire Department, and is now Deputy Chief. Over the years, Darren has been successful in holding an OFA Level 3 ticket, Water Distribution Level II, Wastewater Level II as well as countless other tickets and accolades. Most recently in 2021, Darren accepted the position of Lead Hand when Ed retired and has been leading the PW crew with the same dedication, grit and tenacity he has always had. Darren's dedication to the community over the past 21 years has been paramount and his love for his hometown shows in all that he has done over his time working with us. We know that many folks were relieved to see his friendly face at many a fire or medical call, and his knowledge of where the main water valves are located when someone needed their water shut off was much appreciated! Darren, in his District role, will be greatly missed by his co-workers and community members! We are sure there will be many rounds of golf, camping and fishing in his near future! If you see Darren around town, be sure to congratulate him on his retirement! Thank you for your many years of impeccable service Darren! We wish you all the best in your next adventure!

The District would like to wish Dave Heiberg a very Happy Retirement as Mayor of the District of Hudson's Hope, effective May 15th, 2023. Dave and Laurinda moved to Hudson's Hope in 1980, when Dave accepted a teaching position for the Hudson's Hope School, fresh out of University! He spent his entire teaching career at our school until he retired in 2014. Dave's love of community inspired him to run and serve as Councillor for the District from December 2011 to October 2018. He then chose to run for Mayor in 2018 and was successful, where he served 4 years and 6 months as our dedicated Mayor. Dave's decision to retire did not come lightly with all the challenges that our little town has faced over the past few years, but it was time to trade in the business meetings for time well spent with Laurinda! There will now be lots of time to camp and travel and spend quality time with family and grandchildren! We wish them all the best in this next phase of their life!

Enjoy the summer in the garden
Dave!

The Hudson's Hope Grad Class of 2023 would like to extend an open invitation to our Community to join us for the ceremony portion of our Graduation, which will take place at approximately 2:00PM, June 30th, 2023.

Please be advised that the first portion of our Graduation may extend beyond 2:00.

Amber Norton, Library Director

Walk-In Book Club: We loved Kate Quinn's The Diamond Eye so much that we brought it back with another title by the same author, The Rose Code! We have access to The Diamond Eye until June 23rd and The Rose Code only until June 9th! They are both long reads...around 600 pages each! Be sure to only grab one of these titles if you are a speedy reader, we cannot renew past the above mentioned due dates.

Walking Book Club: This month, we are once again hosting Walking Book Club meetings to contribute to our community steps and activities for Participaction! Perhaps we will go check out the new berm trail? Or go on walks through town? Or meet up at a local lake? Wherever we go, the discussion will follow. Our June Walking Book Club will feature the titles Unlikely Animals, Dark Roads, Every Note Played and The Push! Our selection touches on hard-hitting topics including the opioid crisis, missing and murdered women, ALS, parental bonding & motherhood. Come in early so that you can get all of the titles read before the walking date. Titles available now and until July 7th!

Walking Book Club

HHPL's walk-in book club is going for a walk in June!

We will walk 4 times in June, dates and time of day TBD by interest and group capacity. Can't walk for an hour? We can also set up a meeting at one of our local parks for a book chat! All four titles will be available May 16th!

*Limit: 2 titles per person at a time.
Group reading order applies*

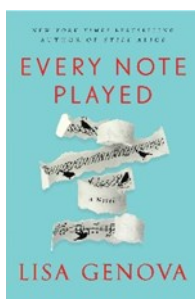

The poster features a blue background with a light blue border. On the left, there is an illustration of three people's legs and feet in various colors (pink, red, white) walking. To the right of the illustration, the text 'Walking Book Club' is written in a large, bold, dark blue font. Below this, in a smaller bold font, is 'HHPL's walk-in book club is going for a walk in June!'. Further down, a paragraph of text describes the club's activities and the availability of books. At the bottom left, a note specifies a limit of 2 titles per person and that group reading order applies. On the right side, there is a grid of four book covers: 'Every Note Played' by Lisa Genova, 'Chevy Stevens Dark Roads', 'Unlikely Animals' by Annie Hartnett, and 'The Push' by Ashley Audrain.

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper

InterLibrary Loans: Did you know that we manage a large collection of book club sets for four federations located throughout BC? Amber manages the administrative side of the collection while Nancy handles the day to day loaning of the collection across the province, including an intricate reservation system. This month we start our annual turnover of books in the collection. If you have a new title that has been published in 2023 that you would like to suggest to the collection, please feel free to suggest this title for the book club set collection. Be sure to mention that it is an idea for this specific collection so that the referral will go to the right place! We only take referrals for a few more weeks before the inter-federation committee has finalized our suggestions and move in to selection mode...so come in quick to make your suggestions! You can also come on in to talk to Nancy about any of your regular ILL requests, or any of our other staff can help you with your request. Alternatively, you could also email ill.hhpl@pris.ca with your requests or call (250)783-9414.

Walking Book Club Titles – Available until July 7th

In loving memory of Agnes A. Harasymyk (Taylor) of L&M Ranch

Sadly, Agnes passed away on February 6, 2023, surrounded by her loved ones, at the age of 79 after a courageous battle with cancer.

Agnes was born in The Pas, Manitoba, on July 23, 1943, to parents Joseph and Margaret Taylor (Tait). She is predeceased by her first husband, Morley Willmore, their son, Michael Earl Willmore, and her second husband, William (Bill) John Harasymyk. Also, her siblings, Joe and Jack Taylor.

She is survived by her daughter, LeeAnne Harasymyk (Ben), son, Harley Willmore, grandsons Bryce & Matthew Murphy, granddaughter Kyla Kjeldsen (Matt), and great granddaughter Scarlett Kjeldsen. As well as many nieces, nephews and adopted Hudson's Hope family who considered her an Aunt or Grandmother just the same. She will be missed by her sisters, Carla Saunders, Iliona, Darlene and Barbara Garay, and brothers Les (Robin), Atilla, Eddie (Joanne) and Clarence Garay. Agnes' beloved pets Diesel (dog), Smokey (horse), and Bingo (cat) will miss their mom until they are one day re-united. And yes...don't forget the geese!

She married William (Bill) Harasymyk on August 12th, 1967 in Merritt, BC where they had LeeAnne while he was working in Canmore, AB. Eventually moving back to Mamot Lake area where Agnes had animals and was in partnership/owner of the Ponderosa Sports shop in Merritt. In 1981, the family moved to Farrell Creek, where they cleared their own land and built their home together, known today as the L&M Ranch.

Agnes was a hardworking woman who moved to the land with 2 milk cows, Mandy & Paula, and her horses and dogs. Her two milk cows grew into a herd of Black Angus cows, along with a list of other animals throughout the years.

Agnes was a woman of many interests, from running her own businesses, farming, sewing/leather work and bead work. Many of her beautiful pieces are still around to remember her by. The little sewing house on the ranch is filled with works of love and memories of a lifetime, where she shared her vast knowledge with countless friends and family lucky enough to share time with her in one of her favorite places.

She was a kind, honest woman who would help anyone she could. She will be sadly missed and forever loved. May she Rest in Peace.

The family would like to express their deepest appreciation for all the support and loved received during this hard time. Thank you and much love to you all!

On July 23, 2023, there will be a gathering at the L&M Ranch, (her favorite place), to celebrate her life!
