Tree Planting Rebate 2023

District of Hudson's Hope Tree Planting Rebate Program

ONLY WHILE QUANTITIES LAST

All applicants are required to accept terms and conditions of the rebate program, which include:

1. Only trees purchased after January 1, 2023, and are identified as growing in Zone 1, 2 or 3 are eligible for rebate. Shrubs and flowers will not be eligible for this rebate. A limited number of rebates are available on a first-come, first-serve basis.
2. Each rebate is a maximum of \$50. If the price is below \$50, the rebated amount will be the actual purchase price. The subsidy will be issued in the form of a cheque payable to the purchaser.
3. Only one rebate per year per property will be issued.
4. To be eligible you must have a District of Hudson's Hope property tax account in your name, a completed rebate form, original purchase receipt (photocopies not accepted), and the tree tag indicating growing zone 1, 2 or 3.
5. Trees are to be planted at the address associated with the property tax account. Trees are not to be planted on public property, right of way or easement.
6. The District of Hudson's Hope accepts no responsibility for loss, damages or claims to property caused by or resulting from Community Tree Planting Rebate Policy.
7. The District of Hudson's Hope reserves the right to reverse the rebate if information provided on the application form is either incorrect or untrue, or if the terms and conditions have been breached.
8. The District of Hudson's Hope reserves the right to alter, cancel or discontinue the program at any time.

NOTICE Community Information Session

The Site C project team is inviting you to an information session on May 3, 2023.

The purpose of this community information session is to provide an update on reservoir filling that may begin as early as fall 2023.

As BC Hydro begins to fill the reservoir, changes will occur including shoreline access and you'll notice water levels rising.

Community members will have an opportunity to review information, meet and speak to project subject matter experts and staff. If you're not able to make the meeting, there's opportunity to attend a virtual presentation.

Hudson's Hope

Leo & Ethel Rutledge Scholarship APPLICATIONS NOW BEING RECEIVED

Every year the District of Hudson's Hope awards \$1000 to one Grade 12 graduate who is interested in pursuing a post secondary education. The District looks at applicants who:

- Will attend a full time institution within two years of the date of graduation from high school.
- Academic Achievement.
- Citizenship and Service to the Community.

Applications for this scholarship should be made in writing and should include:

- Copy of Grade 11 final marks and report card marks received thus far in Grade 12.
- A description of extra-curricular, community, or volunteer activities in which the student has participated.
- A summary of past/current employment, if any.
- A summary of goals and plans for post-secondary education.

Applications must be delivered to the municipal office by **June 2nd, 2023** in a sealed envelope marked "**Scholarship Application**".

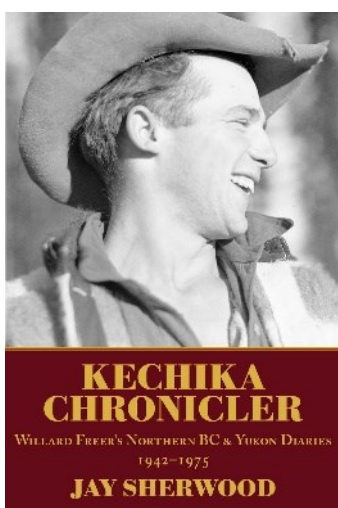

May at the Museum

Summer Students! We have 2 positions available. Applications due by May 5th. Thank you to those that have already applied. We will begin interviews the first week of May. Drop off or email resume to hbmuseum@pris.ca

Subject line: Summer Student Employment.

Call Patti at the museum 250-783-5735 for more information.

Now in Stock!

Jay Sherwood's Final Publication

Kechika Chronicler Willard Freer's Northern BC & Yukon Diaries 1942-1975

Willard Freer's diaries are the most extensive written record of daily life in one of the most remote regions of British Columbia. *Kechika Chronicler* provides a voice for his story.

Hudson's Hope and the Peace River Valley have a connection with Willard Freer. The Freer farm was located at Bear Flats. Established in 1915 by George Freer, wife Edith Freer and 4 children, Willard, Merle, Edith, and Harold. Three more children followed, Frank, Percy, and Phyllis.

Hudson's Hope Historical Society Meeting: May 17, 2023 at 7pm at the Museum. Everyone is Welcome

Protective Services

Nearly one third of all wildfires in B.C. are detected and reported by the general public. Public wildfire reports have resulted in immeasurable savings in property damage, forest resources and fire suppression dollars.

Report a Wildfire:

If you see a wildfire
please report it to Wildfire Management Service at
1-800-663-5555 or call ***5555**
toll free on most cellular networks.
Alternately, you can report a wildfire to **9-1-1**.

What You'll Be Asked:

- your phone number and the location of the fire**
- what the fire is burning (trees? What species?)**
- the size of the fire**
- how quickly the fire is spreading**
- the colour of the smoke**
- whether there are values or lives at risk**

The details that you provide are critical in determining the type of response that the fire will receive from fire suppression authorities. Your help is greatly appreciated as it helps us to allocate our resources more efficiently and respond quickly to wildfire activity.

Further information on wildfires, provincial danger ratings and forest restrictions can be obtained by calling our toll-free Wildfire Information number:

1-800-663-5555 OR *5555 ON YOUR CELL PHONE

Police Report March / April 2023

Hudson's Hope RCMP responded to 26 calls for service between March 28th to April 18th. 51 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On April 1st, Hudson's Hope RCMP stopped a motorist along Hwy 29 for excessive speed. The associated vehicle was confirmed to be travelling at rate of speed that was 69kms/hr over the posted speed limit within a construction zone. The driver of the vehicle was fined \$483.00 and received a 7-day impound of their vehicle.

On April 1st, the Hudson's Hope RCMP stopped another motorist for excessive speed after their vehicle was confirmed to be travelling at a rate of speed that was 59kms/hr over the posted speed limit. This driver received a \$368.00 fine and a 7-day impound of their vehicle.

As of note: The Motor Vehicle Act for the Province of British Columbia, defines Excessive Speeding as driving at a speed greater than 41kms/hr over the posted speed limit. The faster you drive, the higher the fine becomes! Exceeding the posted speed limit by 41-60km/hr comes with a \$368.00 fine and a 7-day impound of your vehicle, along with tow and impound fees. Exceeding the posted speed limit by 60kms/hr comes with a fine of \$483.00 and a 7-day impound of your vehicle, along with tow and impound fees. Police can impound your vehicle for excessive speed and is as follows:

- Seven days for first offence,
- Thirty days for second offence within two years,
- Sixty days for any later offence within two years.

On April 3rd, the Hudson's Hope received multiple reports of loose bison impeding traffic along Beryl Prairie Rd. Police attended scene and located several big furry suspects running loose along the municipal roadway and trespassing onto private property. These incidents are being monitored and investigated by police and other associated Provincial Enforcement Agencies. If one of these loose furry beasts is observed in your front yard or raiding your gardens, you can report the incident to the Hudson's Hope RCMP.

On April 5th, Hudson's Hope RCMP stopped a motorist for excessive speed along Beattie Drive after the associated vehicle was confirmed to be travelling at a rate of speed that was 47kms/hr over the posted speed limit within the school zone. The driver received a fine of \$368.00 and a 7-day impound of their vehicle.

As of note: Police Officers are granted an exemption under Section 122 of the Motor Vehicle Act that allows them exceed the posted speed limits when in the course of their duty, ie: to close the distance on a speeding motorist or when enroute to an emergency situation. Also, police may respond without

using emergency lights and sirens, to an incident where the risk of harm to the public through using emergency equipment outweighs the risk of responding without it. (This exemption does not apply in school or playground zones).

On April 8th, the Hudson's Hope RCMP received a report of an unidentified flying object with red and white lights, over the Peace River area. Upon investigation, it was found that the UFO was a drone that was being used by a company to locate hotspots amongst the slash piles that were being burnt off in the river valley.

Being that Spring is technically upon us again (finally), the Hudson's Hope RCMP would like to remind residents to be aware of the emerging bears from their long hibernations. Upon emerging from their long cozy earth dens, bears will be quite slow and groggy for several days, however, during this time, bears will be quite hungry and will be looking for easy meals, ie: left out garbage, compost piles, gardens, small pets, etc.

That said, if one is to become face to face with one of these furry creatures, please remember the following tips:

- Do not yell "awwwwww" and try to get a selfie with said bear! They are not friendly and will taste test you!
- Stay calm, your calm behaviour can reassure the bear,
- Speak to the bear, talk calmly and firmly (and in English...Spanish seems to rile them up!),
- Do not turn and run but rather back away slowly while facing the bear,
- Make yourself appear BIG, pick up small children and stay within a group (if with others),
- If have a backpack on, do not remove being that it can provide protection should the bear attack,
- If planning an outdoor excursion in bear country, make lots of noise, travel in groups if able to, and carry bear spray (always examine the expire date on the spray...could be a bad time to discover that your bear spray has expired and is no longer potent!), and lastly, if you have to use the bear spray, pay attention to the wind direction. Spraying yourself only makes it easier for the bear and now you have also seasoned yourself!

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the area's "Most Wanted" page.

A/Cpl. Erich Schmidt
Detachment Commander
Hudson's Hope RCMP

I would also like to announce that anyone visiting or attending the Hudson's Hope RCMP detachment will be welcomed by a familiar face now that JJ has taken the role as the detachments Office Manager. As per though, still call ahead to make sure someone will be in the office before attending the front counter. We look forward to her contributions in making the detachment more cohesive and accessible to the community. For any needed appointments, ie: criminal record checks, call: (250) 783-5241.

Hope for Health Society May 2023

Happy Vernal Equinox: Spring has arrived. Hope everyone can get out to take advantage of the sunshine and longer days.

Hope for Health is grateful to all the participants who came out to enjoy the free skating, yoga and snowshoe series. A heartfelt thank you to our leaders: Yvonne Clarke, Starr Gauthier and Greta Goddard. These activities were made possible from a Spotlight Grant and FNHA grant.

Hope for Health is thankful to L'équipe de Femmes et sport au Canada and the First Nations Health Authority in supporting community programming.

As part of the Spotlight Grant, Hope for Health will be offering a free dance series for students Grade 5 – 12 at Hudson's Hope School. The program will be led by our local returning university student, Celina Fequet. Celina is a qualified CFES instructor, a BollyX instructor and has numerous years of dance experience that she is thrilled to be able to share. Expect energy and fun! A huge thank you to Mr. Beam for assisting with this program.

We are pleased to announce that Hope for Health has been successful in securing the District of Hudson's Hope Financial Assistance Grant. Thanks to the District for their support. This funding will be used to support our signature program; That Dam Run. This annual event is scheduled for September 24th. Hope for Health is hoping to run a run series for beginners and intermediate. It's time to think about training. The trails are calling your name.

Spring is a wonderful time to enjoy the great outdoors, but please keep in mind it is also a vulnerable time for wildlife who are having young. Please be vigilant and give our creatures lots of caring space. It is also a time when the vegetation is delicate and easy to disrupt. This is especially true for areas such as the Jamieson Woods Nature Preserve. Please be respectful and stay on designated trails.

And more big news, Hope for Health Society will be working on a Community Wellness Conference. We are so excited that we have received a grant from BC Hydro Go Fund. This exciting event is tentatively slated for October. We are aiming to offer meaningful workshops in conjunction with activities. Let us know who or what you would like to see.

We want to send a big shout out to Sarah Schnare. Sarah is stepping down from the board, but we would like to send a huge thank you to her for all her assistance with Hope for Health Society. If you have ideas, would like to get involved, and contribute to your community, please reach out to any member of Hope for Health Greta Goddard, Amber Norton, Colleen Gillie, Starr Gauthier, Liza Rhymer, Sean Bailie, Jessica Eastman, and Serena Matchett.

For more updates, please check out the Hope for Health – Hudson's Hope Facebook page.

BRITISH COLUMBIA CAMPFIRE REGULATIONS

Violating these regulations could cost you **\$1,150**.

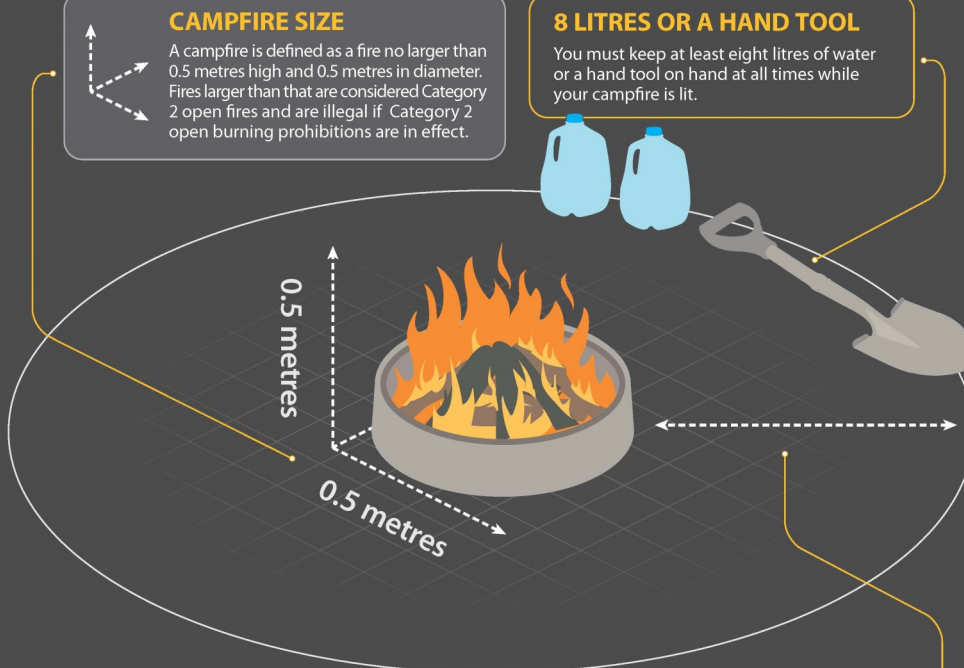

If a violation causes a wildfire, the person responsible may also be ordered to pay all firefighting and associated costs.

CAMPFIRE SIZE

A campfire is defined as a fire no larger than 0.5 metres high and 0.5 metres in diameter. Fires larger than that are considered Category 2 open fires and are illegal if Category 2 open burning prohibitions are in effect.

8 LITRES OR A HAND TOOL

You must keep at least eight litres of water or a hand tool on hand at all times while your campfire is lit.

PUTTING OUT YOUR FIRE

Before you leave the area for any amount of time, your campfire **MUST** be fully extinguished. The ashes of your fire must be cool to the touch.

FUEL BREAK

You must have a fuel break around your campfire. This area must be cleared of debris and anything combustible. It needs to be wide enough to stop the spread of the fire. A rock ring around the fire can also help prevent it from spreading.

You **MUST NOT** leave your fire unattended for **ANY** length of time.

Report wildfires, unattended campfires or violations of regulations by calling ***5555** on a cell or **1 800 663-5555** toll-free.

BC Wildfire Service

A BUILDING PERMIT IS REQUIRED TO:

- ## INFORMATION TO BE SUBMITTED WITH A BUILDING PERMIT APPLICATION

1. BUILDING PLANS

Example Floor Plans

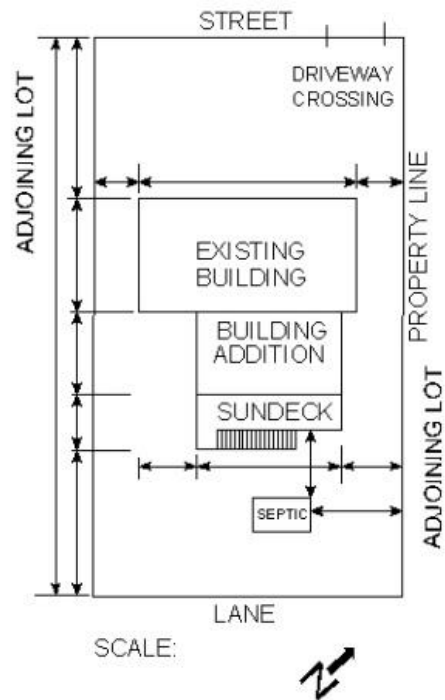

-
- The image contains three architectural drawings related to a building renovation project.
- Foundation & First Floor Plan:** This drawing shows the layout of the existing house and the proposed additions. The existing house has a main living area with a fireplace, a kitchen, and a bathroom. The additions include a new front porch, a side porch, and a rear porch. The plan also shows the location of the foundation, floor joists, and stairs.
- EXISTING HOUSE SHOW ADJOINING ROOMS:** This drawing provides a more detailed view of the existing house and the rooms that will be added. It shows the layout of the living room, kitchen, bathroom, and the new rooms. The plan also indicates the location of the foundation, floor joists, and stairs.
- Cross Sectional Plans:** This drawing shows the vertical structure of the building, including the roof, walls, and floor. It details the construction of the roof, the insulation, the vapor barrier, and the floor. The plan also shows the location of the foundation, the stairs, and the exterior finish.

2. SITE PLAN

- full legal description of lot: lot number, plan number; district lot number (from your tax notice or Title);
- lot dimensions;
- adjoining street names;
- locations and uses of existing and proposed buildings or additions;
- distances from all property lines for existing and proposed buildings or additions;
- location of legal road access to the property;
- size, location and number of parking spaces;
- existing and proposed wells or other water sources;
- location of existing or proposed sewage disposal fields on property;
- location of any watercourses on property showing distances from existing or proposed buildings or additions;

This information is intended to assist the general public in applying for a Building Permit within the District of Hudson's Hope.

BUILDING INSPECTIONS (Typical)

The Building Bylaw requires inspections at the following stages of construction;

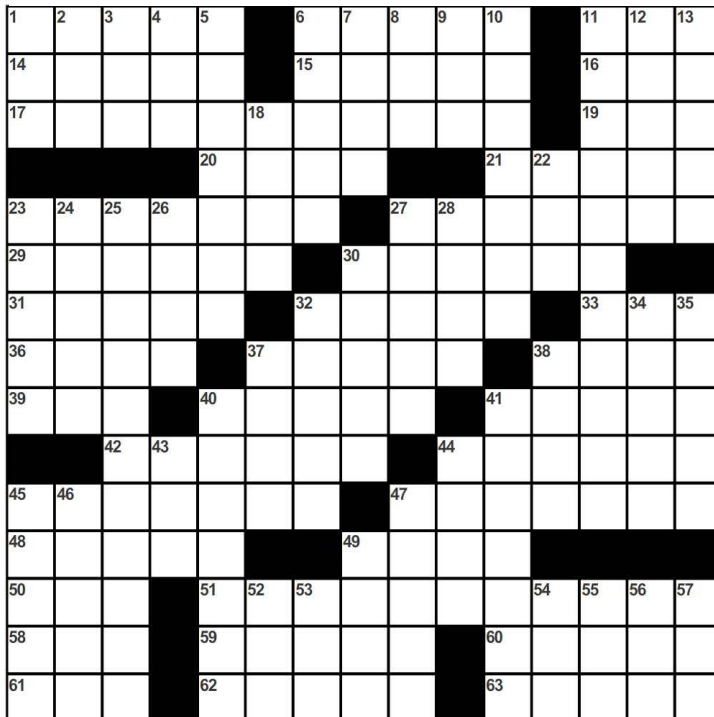

- Footings - prior to pouring concrete.
- Backfilling - after completion of damp-proofing, drain tile, and drain rock (if required), but prior to backfilling.
- Plumbing - before any part of the plumbing system is covered.
- Framing - after the entire rough-in plumbing, electrical and mechanical equipment is installed and the framing is completed to lockup stage, but prior to insulating.
- Insulation and Vapour Barrier - after all insulation and vapour barriers are installed, but prior to covering.
- Final - when the building or portion thereof is completed and ready for occupancy, but prior to occupancy thereof.

An Occupancy Certificate is required prior to occupancy of a building. In order for an Occupancy Certificate to be issued, all inspections above must be approved.

OPEN FIRE REGULATIONS

CAMPFIRES, CATEGORY 2 FIRES AND CATEGORY 3 FIRES: WHAT'S THE DIFFERENCE?

CAMPFIRE:

- Any fire smaller than 0.5 metres high by 0.5 metres wide

REGULATIONS:

You must have ready access to 8 litres of water or a shovel for the entire time your campfire is lit.

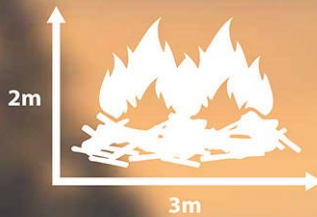

Your campfire must be completely extinguished and the ashes must be cool to the touch before leaving the area for any length of time. (Hot coals can reignite the fire.)

During campfire prohibitions, only a CSA- or ULC-approved portable campfire apparatus may be used, and the flame height must not exceed 15 centimetres.

You must build a fire guard around your campfire.

CATEGORY 2 FIRE:

- 1 to 2 concurrently burning piles no larger than 2 metres high by 3 metres wide
- Stubble or grass burning over an area less than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 2 burn area.

Fireworks are banned when a Category 2 fire prohibition is in effect.

Burning barrels are banned when a Category 2 fire prohibition is in effect.

At least one person equipped with a fire-fighting hand tool must monitor the fire at all times.

CATEGORY 3 FIRE:

- Any fire larger than 2 metres high by 3 metres wide
- 3 or more concurrently burning piles no larger than 2 metres high by 3 metres wide
- 1 or more burning windrows
- Stubble or grass burning over an area greater than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 3 burn area.

Monitor your open burn to ensure that the fire doesn't spread beyond its intended size.

You must have a burn registration number to light a Category 3 open fire. Call the burn registration line 1 888 797-1717 to obtain one.

GENERAL REGULATIONS:

Never burn in strong wind conditions.

Your fire must be extinguished before leaving the area.

Always keep your fire a safe distance away from nearby branches, wood and other combustible materials.

Do not conduct Category 2 or Category 3 burns when venting conditions are "Poor" or "Fair". Always check here first: www.bcairquality.ca/readings/ventilation-index.html

*Further bans and restrictions can be implemented at the BC Wildfire Service's discretion.

Anyone found in contravention of an open fire prohibition may be fined up to \$1,150. If your fire escapes and results in a wildfire, you may be fined anywhere from \$100,000 to \$1 million and be sentenced to one year in prison. Please check with local government authorities for any other restrictions before lighting any open fire.

Please report wildfires by calling ***5555 or 1 800 663-5555.**

Hudson's Hope Elementary Student of Week Awards

April 3 to April 6, 2023

Levi Swanson, Harper Cryderman, Sawyer Tricker, Noah Bonner, Lexi Siemens, Hunter Koehn-King, Carolie McLane, Maddie Beebe, Brigid Rhymer-Stephenson, Jude Rowe, Austin Fieber, Abby Redekop, Summer Matheson, Taylor Sanderson.

April 11 to April 14, 2023

Grady Jeffrey, Freyja Schmidt, Evelyn Girard, Quinn Harling, Annabelle Zandbergen, Alina Gortman, Grady Gorham, Isaac Shockey, Maddie Beebe, Thatcher Mercereau, Cole Schafer, James Gortman, Austin Fieber.

April 17 to April 20, 2023

Oskar Tilson, Nyxen Tricker, Maddison Levesque, Oliver McCormick, Cameron Gonwick, Alina Gortman, Grady Gorham, Hunter Koehn-King, B.L.

Check out the projects our Graphic Design & Silk Screen Students have created. Our students are using industry standard technology and skills to create and manipulate vector images, transferring the images to posters and t-shirts.

tary-Secondary School

Congratulations to our students for a fantastic performance at the Northern Regional Science Fair in Fort St John. Our students did an amazing job presenting and competing in challenges provided at the Fair. Our school team of Vayda-Mae Herbison, Jude Vince-Olson, Gemma Swanson, and Brigid Rhymer-Stephenson, won the "ping pong" challenge, moving a ping pong ball the greatest distance, using the least amount of materials to create their device!

Check out the results of all our competitors:

Silver Medals: Nolan Scott, Halle Beebe, Esmae Matchett, Brigid Rhymer Stephenson, Gemma Swanson

Gold Medals: Elayna Unruh, Shantal- Jeane Allera, Finley Buchholz, Aila White, Claire Gilliss, Jude Vince-Olson.

Specialty Awards

- Botany Award, sponsored by Petronas: **Jude Vince Olson.**
- Vibrant Communities Award sponsored by Urban Systems: **Jude Vince Olson.**
- Health & Safety Award, sponsored by Petronas: **Claire Gilliss.**
- B.C. Dental Hygienist Award, Sponsored by B.C. Dental Hygienist Association: Finley Buchholz & Aila White.

Great work HAWKS! Also, a big thank you to BC Hydro for helping us with the Science Fair backdrops.

May 2023

The Bulletin

Climbing Wall – A big thank you to Ms Rhymer for running a Spring climbing club. Thank you, Angela Forseille for your assistance during Climbing Club as well as to Angela and JM for redoing the climbing routes, and adding special features to make them fun for students to experience. We would also like to thank them for installing the new ropes and re-hanging the auto belays. Also, a great big thank you to Hadley Gilliss and Madison Beebe for coming out nearly every Wednesday to help with belaying. We are grateful to BC Hydro for ensuring our Climbing Wall and equipment is inspected and safe!

Jump Rope For Heart & Earth Day Cleanup – Next month (May 11th if the weather is good), our students and staff will be raising awareness, education, and funds for the Heart & Stroke Foundation. If you would like to donate to our cause, please contact the school. We will also be tidying up the community!

Miss Mee's Creative Writing Students have designed some pretty impressive "Wearable Art"

--	---

Amber Norton, Library Director

Thank You: J. K. Rose, also known as Hudson’s Hopes own Jessica Kempster, released her first self-published book in November of last year. Thank you Jessica for joining us for an intimate conversation about your new book! It was so interesting to get the insider details on your writing and publishing process. We look forward to reading the full trilogy when they are published!

DIY Hydroponic Vegetable Gardening Presentation: Have you ever wondered about hydroponic vegetable gardening? Bob Norton has been testing various methods of DIY hydroponic gardening over the past few years and will be sharing his method for growing greens all year round! Bob’s hydroponic trialling has included growing different varieties of lettuce and bok choy through the winter, as well as using his system for tomatoes, tomatillos, cucumbers and peppers in a greenhouse. He grew tomatoes last year on his deck through the summer. PLUS! Those who RSVPd last month are able to start their own hydroponic seedling to take home using the Kratky method for free! This method can be kept all summer as is, or you can keep it growing until you have your own hydroponic pump system set up to transfer before the root ball gets too big to transfer. The hands on portion of this presentation is full, but if you are interested in attending the presentation and observing the Kratky method, please RSVP. We may need to change venues or move outside to accommodate more people to the presentation (not the actual planting portion, we are at capacity) The presentation will be on Tuesday in May 2nd at 6:00 pm. Kratky Method workshop immediately following, only registered attendees get a seedling although others are welcome to observe.

Walk-In Book Club: We loved Kate Quinn’s *The Diamond Eye* so much that we brought it back with another title by the same author, *The Rose Code*! The first time we borrowed *Diamond Eye*, it was a shorter loan period, so we reserved 5 copies to allow our readers to finish reading the book, May 9th and June 23rd. *The Rose Code* has all 10 copies available until June 9th! Kate Quinn is a bestselling author of historical fiction. She also wrote four novels in the *Empress of Rome Saga*, as well as the *Alice Network* and *The Huntress*. These eight books have an average rating of 4.26 on Goodreads! They are both long reads...around 600 pages each! Be sure to get in early for your copy, we cannot renew past the above mentioned due dates.

Walking Book Club: In June, we will be once again having four Walking Book Club meetings to contribute to our community steps and activities for Participation! Perhaps

we will go check out the new berm trail? Or go on walks through town? Wherever we go, the discussion will follow. Our June Walking Book Club will feature the titles *Unlikely Animals*, *Dark Roads*, *Every Note Played* and *The Push*! Our selection touches on hard-hitting topics including the opioid crisis, missing and murdered women, ALS, parental bonding & motherhood. Come in early so that you can get all of the titles read before the walking date. Titles available by May 16th!

Summer Programming is getting a head start: This summer we are excited to welcome Katie Norton back as our Casual... this year she is taking on summer programming even earlier now that she is on break from University! She is providing relief for teen club and we will be discussing where else she will be providing program and library support as we hammer out the details of new funding sources! (we will have Shellie doing new and exciting things coming up soon as well!) If you are not aware who Katie is, she is a super smarty who graduated from our high school last year. She is a ray of sunshine and has many exciting ideas for our library! Welcome back Katie!

Katie Norton, Casual Assistant Programmer

Teen Drop-In Thursdays @ 5:00-7:00 pm ages 13-18. Prepare for the Katie teen program takeover! Shellie will still be around some nights, but Katie is going to be here just about every week! Teen drop-in continues as usual, playing board games, watching movies and more! Big things are coming this summer and even later this month as the Katie takeover continues to build... come on in and give us your ideas for programs that we might be able to provide. Stay tuned for an awesome event announcement coming soon for an evening in July!!

Summer Reading Club – We are just gearing up to plan this year's SRC! We do have one thing in the works... Leif David the Magician is coming to do a presentation in July! It is tentatively scheduled for 2:00 pm on July 18th. Please see future advertising for a confirmed date, time and location.

Shellie Howard, Children & Youth Program Librarian

StoryTime Tuesdays @ 10:30-11:30 am Preschoolers & caregivers, babies and toddlers welcome. We are already into spring how exciting!!! May 2nd we will be making little butterfly hand-crafts, of course using your little's hands. May 9th we will be making a paper plate fish bowl. May 16th one of my favourite crafts, a frog!!! J Fun & easy to make, and you can't make frogs without some stories from Froggy. May 23rd we will be making little octopuses, octopi & octopodes. J We will finish off May with the famous Lady Bug.

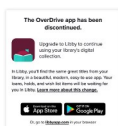

Library Club Wednesdays @ 3:30-4:30 pm Kindergarten to age 8. May 3rd we will be making a craft for our mommas, so I will not be posting what we are making to keep it a surprise. May 10th we will be making Pinwheels. May 17th and May 24th we will be making box cars, because its that time of year for our Library Drive-In Box Car Movie!!! We provide all the boxes and on the movie day, we ask that the kids stay until 5:00. We provide

popcorn and a juice box. If your child plans on coming but they cannot attend the two weeks leading up to the movie day, they need to bring a cardboard boxcar so they don't feel left out. Boxcars can be left at the library at the end of day the day before or on the day of...all cars made in club will be kept here and can go home with each child after the movie.

Tween Club Tuesdays @ 3:15-4:45pm ages 9-12. We will be getting our new Bingo cards for May and it will be the last one before summer. The tweens have been consistently working away on their book bingo cards and having a blast getting their bingos. The last Tuesday, May 30th, is their movie day; popcorn and juice will be provided. Just a heads up that they need to be here right away after school on this day, as the movie will be starting right at 3:15, and we may run a little late depending on the movie chosen.

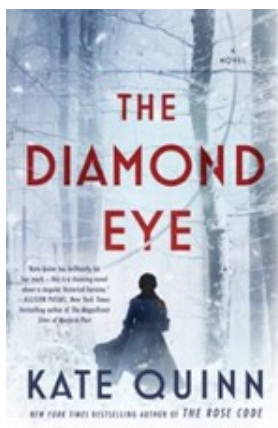

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper

InterLibrary Loans: Did you know that we have two separate systems to order ILLs? Through these systems you have access to other library collections throughout BC. Books and DVDs can be ordered from just about any public, municipal or regional library in BC. You are able to place a hold on your "my account" access through our website and catalogue. We also use this system as our go to source to check first for your loan. This is the Sitka Evergreen system and has access to many of the library collections in the province. We also have another system that we use as a backup that you can submit your requests to staff and we will order your loan for you, this allows the opportunity to select titles from other libraries that are not on the same library computer system as we are as well as BC universities and colleges. Come on in to talk to Nancy about any of your ILL requests, or any of our other regular staff can help you with your request. Alternatively, you could also email ill.hhpl@pris.ca with your requests or call (250)783-9414.

OverDrive: the OverDrive app for iOS, Android, and Windows 8/10 will be sunset on May 1, 2023. After that date, users who try to access your library's collection in the app will see a message, informing them they need to upgrade to Libby.

Walk-In Book Club Titles

"Knowledge, to light the path for humankind," I said at last. "And this"—patting my rifle—"to protect humankind when we lose that path."

— Kate Quinn
The Diamond Eye

Available until June 23rd

"Every night, tell yourself what you told me. How you're a patriot, not a traitor. How you're the hero of this story, not the villain."

— Kate Quinn
The Rose Code

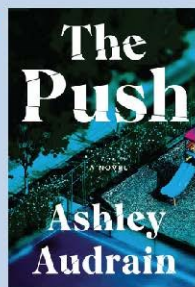

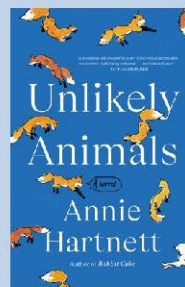

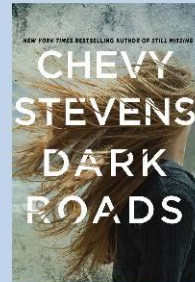

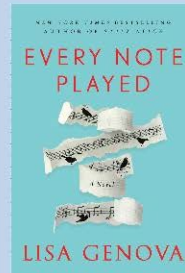

Walking Book Club

HHPL's walk-in book club is going for a walk in June!

We will walk 4 times in June, dates and time of day TBD by interest and group capacity. Can't walk for an hour? We can also set up a meeting at one of our local parks for a book chat! All four titles will be available May 16th!

*Limit: 2 titles per person at a time.
Group reading order applies*

DIY HYDROPONIC VEGETABLE GARDENING

Hudson's Hope Public Library is pleased to host Bob Norton, as he discusses his multi-year journey learning various methods of growing vegetables with his DIY hydroponic systems.

The session will include hands on instruction for how to grow a seedling through the Kratky Method.

The workshop portion is now full but please RSVP at the public library, if you would like to attend the presentation.

TUESDAY, MAY 2ND AT 6:00 PM

*Household limits may apply
