Police Report May/June 2023

Hudson's Hope RCMP responded to 33 calls for service between May 23rd and June 21st. 57 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On May 25th, the Hudson's Hope RCMP received a report of a theft of fuel from the Tempo gas station. It was reported that an unknown individual presented a fraudulent card to the station rep to have the pumps turned on and proceeded to pump approximately \$700 worth of fuel into a tidy tank then left without paying. Police are currently working on several leads and this file remains open for investigation.

On May 31st, the Hudson's Hope RCMP received a report of a vehicle fire along Haraskmyk Ave. It was found that a truck was engulfed in flames due to mechanical issues with the driver escaping with no injuries. BC Wildfire Services was contacted to monitor the situation should the flames have spread to the surrounding bush line.

On June 2nd, the Hudson's Hope RCMP received information pertaining to a residence along Beattie Dr. that was noted to be trafficking and possibly producing illicit drugs within the community. Police have conducted an investigation into this matter and to date, no charges have been sought. Police will continue to monitor this residence for further activity.

On June 4th, the Hudson's Hope RCMP and Fire Department received a report of a large outdoor fire at a rural property along Beryl Prairie Rd. Upon attending the property, police and fire located a large uncontrolled fire that was being used to burn garbage and it was later confirmed that this debris was being buried. Being that this fire was conducted during a full area fire ban and the burying of garbage is in contravention of the Environmental Act, the property rep received several fines under the Wildfire Act and further fines will be issued in relation to the Environmental Act contraventions.

On June 8th, the Hudson's Hope RCMP received a report of a highly intoxicated individual who was observed staggering along Beattie Dr. and was observed attempting to get into and yelling at passing by vehicles. Police located the individual and upon her becoming uncompliant with officers, the individual was arrested for being intoxicated in public and causing a disturbance. The individual was later released once sober.

On June 11th, the Hudson's Hope RCMP attended a single motor vehicle accident along Canyon Dr. after a vehicle had gone of the road, taking out several trees and power pole guidelines, and coming to rest on its roof. Police did not locate the driver on scene but later confirmed that he had been driven to the FSJ hospital and only incurred minor injuries. The cause of the accident was due to the driver falling asleep at the wheel.

Given this is the time of the year in which the RCMP generally receive several calls for abandoned or orphaned deer fawns, I would like to take a moment to explain, "fawn napping" (yes, this is a true event). During this time of year, does give birth to their tiny little fawns who are unable to follow their mothers for the first two weeks of their existence, so they spend a lot of this time alone and laying in brush or hidden areas, while the mother grazes and feeds nearby. The mother will generally return around dawn or dusk to nurse. If you locate a fawn and are worried about it being abandoned or orphaned, check on them from a distance over the proceeding 24hrs. The mother will likely return and move the fawn to a new location. Make sure to keep any pets away from where the fawn is hiding. If after the 24hrs, the mother has not returned and or if the fawn appears to be in distress, you can contact the RAPP line: 1-877-952-7277, to help you assess the situation.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit http://crimestoppersnebc.ca for advice on submitting tips online and to browse the areas "Most Wanted" page.

COVET Saturday shifts from 12-4, twice or more per month; the library is closed on statutory holiday weekends and for two weeks at the end of December/early January. The Casual may also be needed occasionally, Tues-Fri, to cover for staff vacation as well as short-term notice to cover shifts for other staff on sick leave. We will also be hiring for the Custodian position, which has a very flexi-

ble schedule of cleaning 2-3 times per week for a total of 3-4 hours per week when the library is unstaffed. Both positions require a clear criminal record check, and applicants must be age 16 or over. Applicants may apply for both positions; however, securing one position does not insure that the other one will be offered. Stay tuned to HHPSA and our Facebook page for more information.

Book Sale: We have stockpiled a bunch of books that were donated and were not new enough to be added to our collection. We have also recently conducted our regular paperback deletion and are gearing up to do another small deletion in adult hardcover and non-fiction. We still have YA, YP and Easy deletions too! Come in and check out what we have! As always, books are for sale by donation.

Magic Show in July! TIME to experience real MAGIC! This action-packed 45-minute-long children's comedy magic show will be performed by award-winning Magician Leif David. In the "Journey Through Time!" Magic Show you'll see Magician Leif David predict the future, a moment of magic become impossibly frozen in time, and messages from the past and future appear right before your eyes! This show is packed with audience participation, plus audience volunteers will join Leif David on stage to help him perform the magic for everyone! A huge thank you to the North East Library Federation (NELF) for providing our upcoming magic show! This show has been in the works for a while and we are so excited that it is finally happening! Please note that Leif has a tight schedule throughout the month, as he is travelling between many northern BC towns, often multiple on the same day! Doors open at 2:00 and the show is set to start at 2:30 pm on the dot! Come join in on a Jour-

ney Through Time Magic Show on Tuesday July 18th at the community hall!

Lego Club Wednesdays @ 3:00-5:00 pm for grades K-6. This club is geared towards elementary aged kids; pre-school children are welcome to attend if they have a guardian come along with them! Tweens and Teens want to play with Lego too? Just let us know and we will haul it out for your clubs too! Don't forget to sign your child up for SRC on Wednesdays for a full afternoon of fun!

Farmer's Market – For the last couple of weeks of June, I had an info booth at the Farmer's Market on Tuesdays from 3:00 to 6:00, and we plan to continue this all summer! I bring a selection of new books for anyone with a library card to check out. Don't have a card? I can sign you up for one! I even bring a weekly craft for the kids to do at the market or to take home in a pre-made craft bag! Come check out my table at the Farmer's Market to say hi, learn about our library services, and to enter your name in to the weekly book draw!

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper

InterLibrary Loans: Our provincial book club set committee is just finishing the 2023 selections! Our committee is comprised of volunteers from the North East, North West, North Central and Kootenay Library Federations. From nearly 200 nominated titles, the committee came up with a whopping 134 titles to choose from! As this is being published, we are just whittling the list down to the couple dozen titles that we will be adding this year. We will be posting the updated list of available titles on our website very soon! Check it out at https://hudsonshope.bc.libraries.coop/explore/adult-book-club-books/ Come on in to talk to Nancy about requesting Inter Library Loans (ILL), or any of our other staff can help you with your request. Alternatively, you could also email ill.hhpl@pris.ca with your requests or call (250)783-9414.

All Staff: Have a document to print or a question that any staff can answer? Email us at hlibrary@pris.ca Also check us out on Facebook (Hudson's Hope Public Library) and Instagram (hudsonshopepubliclbrary)

<u>Latest News from the Hudson's Hope Visitor Centre</u>

Summer is finally upon us! I can feel the travel buzz brewing – tourists are excited to explore new parts of the world or rediscover their own neighborhood. Whichever it is, I can confidently say that Hudson's Hope is always a great addition to any trip. Our beautiful peace region is packed full of outdoor activities such as hiking, boating, fishing and much more! It is pleasantly easy to promote exploration of this cute little town.

I am happy to report that we are freshly stocked with new town brochures and hiking guides. Our hikes are becoming increasingly popular, and tourists rave about the ever-beautiful landscapes.

The slow days in June allowed me to reflect on the impact of tourism. One of the most consistent lessons of this Visitor Centre is that human connection remains invaluable.

While technology continues to advance, most visitors have endless information right at their fingertips. Sometimes it can be a wonder why anyone would need to stop in at all. However, most of our tourists want an authentic feel of the town. They want a local's recommendations and personal tips. The "old-fashioned" drop-in allows for a more sincere and memorable experience. Hudson's Hope is a historic community with a lot to offer. One of our most appreciable qualities is the homelike warmth of the town and the inviting friendliness of our locals.

We all aim to connect and share in some way. A Visitor Centre is just another way to do exactly that.

I'm so thankful that I can provide that personable relation for travelers – and they do the same for me. With each year in this profession, I feel the world becoming more intertwined.

So please – feel free to drop in. Check out our new brochures or enjoy a friendly chat. We are eager to help and always excited to hear what's new with locals and travelers alike.

Your friendly staff, Cassidy, Trinity, and Celina
