## TRAIL DESCRIPTION

The trail leads to Little Carbon Lake at 3.5km, offering great camping or a turnback point. Excellent views of Carbon Lake can be seen on the way. Very steep climb with loose rocks on the trail. Keep going another 1.5km to reach the peak which offers fantastic views of Little Carbon and surrounding country. The top area is hazardous, as you must scale your way up the hill amongst large rocks. Plan to spend 6-8 hours on the trail.

## TRAIL DIRECTIONS

From Hudson's Hope, take the Canyon Drive towards the BC Hydro WAC Bennett Dam. Take the Johnson Creek Forest Service Road and cross over the WAC Bennett Dam up until KM64. The trail is just past the Carbon Lake Forest Recreation Site on the North side of the road. Trailhead is marked with signage.
