# HAVE FUN! JOIN A CLUB!

something for everyone

## Mayor's Corner

It appears winter may be upon us! At least, the first early throes. It is a good reminder for everyone to make sure you are entering a winter mindset. Have you checked your winter driving emergency kits? Do you have a snow brush in your vehicle? Check [Drivebc.ca](http://Drivebc.ca) before you embark on a trip, and ensure you follow the guidelines posted by the Province of British Columbia for information on when and where winter tires or other winter driving requirements apply!

As we enter the winter season our recreational opportunities within the community are going through their natural yearly metamorphosis. Our district arena is now open, our public pool and parks are now long closed for the season, many local clubs and organizations are starting to prepare for winter operation such as our curling club, which will be starting another curling season soon.

Various indoor activities are set to be hosted by our local service organizations, clubs, businesses, and even the District of Hudson's Hope. The community is home to events such as dinners and dances, features by artists and musicians, karaoke nights and bingos, hosted at several locations throughout the community. In addition, several local sports clubs will be moving indoors to the Hudson's Hope School for the season. Keep an eye on our local events calendar for these and numerous other events by visiting [Hudsonshope.ca](http://Hudsonshope.ca) or by signing up for the Hudson's Hope PSA, a mailing list, that will keep you in the loop on community activities and opportunities. You can join the Hudson's Hope PSA by sending an email to [hhpsa@hudsonshope.ca](mailto:hhpsa@hudsonshope.ca)

I am always pleasantly surprised by the amount that our community has to offer, and we have a busy winter season and new year to look forward to!

## Hudson's Hope Official Community Plan

### THE DISTRICT OF HUDSON HOPE IS UPDATING THE OFFICIAL COMMUNITY PLAN!

The District is beginning a process to update and review its Official Community Plan (OCP)- an important policy document that guides the future decisions for the District of Hudson's Hope. It has been over 10 years since the Official Community Plan was last updated, and it is time for an update! We want to make sure that the updated Official Community Plan reflects the needs and priorities of the Hudson Hope's residents.

### WHAT IS AN OFFICIAL COMMUNITY PLAN?

Every municipality in British Columbia under the *Local Government Act* is required to have an Official Community Plan. An Official Community Plan is a bylaw adopted by the District's Council that acts like a roadmap for the District when considering decisions about the future growth and development of Hudson's Hope. The Official Community Plan will guide decision-making in a way that reflects the community's future vision and how the District will strive to achieve that vision over time. In the graphic below are some of the areas that an Official Community Plan can cover.

**Housing**

**Land Use**

**Infrastructure**

**Parks and Recreation**

**Economic Development**

**Transportation**

**Arts, Culture, Heritage and more!**

### HOW TO GET INVOLVED?

We need your input! Please help us envision the community's future by taking part of the Official Community Plan process!

We want to know what you value and love about the District of Hudson's Hope, and what your vision is for it in the future. On the right side is a list a few ways you can be involved and stay informed.

Check out the District's website and Facebook page for more information closer to the engagement dates.

### UPCOMING EVENTS

**1**

#### **Take the survey that will be open November 4**

Participate in the online survey by sharing your thoughts and vision for Hudson's Hope's future. A link to the survey will be posted on the District's website and Facebook page closer to November 4.

**2**

#### **Join us for an Open House at the Community Hall on November 4 (3pm-6pm)**

Share your vision for Hudson's Hope and learn more about the Official Community Plan!

**3**

#### **Go to the District's Website and Facebook Page**

Look at the Official Community Plan information posts and FAQs over the next few months to stay up to date on the project.

**IF YOU HAVE ANY QUESTIONS PLEASE REACH OUT TO THE DISTRICT AT (250) 783-9901.**

# FAQs

## Hudson's Hope Official Community Plan

### WHAT IS THE OFFICIAL COMMUNITY PLAN?

An Official Community Plan (OCP) is the highest-level policy document for a local government – it informs and guides how the community grows for the next 15+ years. The Official Community Plan is a bylaw adopted by Council that sets out the vision and direction that will guide the future growth and development of the District of Hudson's Hope. It includes policies on the future use and management of lands, as well as such elements as municipal facilities and services, utility and transportation systems, environmental stewardship, economic development, arts, heritage and culture, and social health and wellness to set out a clear path to guide Council, staff and the community.

### DOES HUDSON'S HOPE ALREADY HAVE AN OFFICIAL COMMUNITY PLAN?

Yes. The current Official Community Plan was adopted in 2013. Best practice is to review an Official Community Plan every 5-10 years and revising as necessary. The District seeks to provide greater clarity on Official Community Plan policies, and ensure the policies are modern, reflect recent legislative changes, and include studies and plans that the District has undertaken since 2013. All of this makes it a good time to update the Official Community Plan to reflect these changes and better positions Hudson's Hope to achieve its future aspirations. Visit the District website to view the current Official Community Plan.

### WHO CREATES THE OFFICIAL COMMUNITY PLAN?

Our whole community does. Every person is asked to provide some input: residents, business owners, community groups, First Nations, Métis community, District Council and staff, and government agencies. Ultimately, District Council will adopt an Official Community Plan that they believe best represents the interests and objectives of the community as a whole.

**HUDSON'S HOPE**  
PLAYGROUND OF THE PEACE

IF YOU HAVE ANY QUESTIONS PLEASE REACH OUT TO THE DISTRICT AT (250) 783-9901.

### WHY DO WE NEED AN OFFICIAL COMMUNITY PLAN?

The Official Community Plan guides every decision made by Council, keeping in mind what the community has identified as important. The Official Community Plan provides a regulatory framework to guide how the District evaluates and approves future development. It also provides clear direction for how Hudson's Hope should grow in the coming years so that growth is well planned and supports the community's vision for its future.

### HOW WILL THE OFFICIAL COMMUNITY PLAN BE DEVELOPED?

An Official Community Plan involves community engagement and input. All of this information is gathered through surveys, public workshops, and conversations with the community in a variety of forms. A draft Official Community Plan will be developed that captures the vision of the community, which will then be presented to Council for their feedback. It then goes back to the community for another round of community engagement. Once the final Official Community Plan is complete it will be referred to external agencies for their comment and work through the bylaw adoption process. Before any Official Community Plan can be adopted by District Council, a public hearing must also be held.

### HOW TO GET INVOLVED?

Open House on November 4 (3pm-6pm) and the online survey opens.

## Police Report

The Hudson's Hope RCMP responded to 21 calls for service between September 24<sup>th</sup> to October 17<sup>th</sup>. 47 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On September 27<sup>th</sup>, the Hudson's Hope RCMP responded to a report of a threats complainant at a plot of Crown land located along Barkley St. It was confirmed that hunters who, were legally allowed to be hunting in this area, had been confronted and accosted by local residents who are known to police. It was reported that after the hunters were confronted, the suspects left the area on a side x side but within minutes, the hunters started to hear gun shots being fired off into unknown directions. This file has become part of a larger police investigation which is still on-going.

On September 29<sup>th</sup>, the Hudson's Hope RCMP and BC Conservational Services teamed up and conducted a joint check-stop along Beryl Prairie Rd. Checking motorists for Wildlife Act and Motor Vehicle Act offences, as well as Firearm and Criminal Code offences. During the check-stop, approximately 100 vehicles were stopped, yielding several Wildlife and Motor Vehicle Act offences, including a motorist receiving a 24-hour driving prohibition for being under the influence of drugs.

On October 5<sup>th</sup>, the Hudson's Hope RCMP responded to a report of a single commercial vehicle accident along the Kobes FSR. It was confirmed that a commercial truck, hauling a fully loaded tanker full of processed water, swerved for a moose that unexpectedly walked into the roadway, resulting in the truck rolling 1.5 times. Luckily for the driver, he was wearing his seatbelt and though the truck itself was torn apart around him during the roll, he came out with non-life-threatening injuries and was transported to hospital.

On October 5<sup>th</sup>, the Hudson's Hope RCMP were patrolling a local plot of Crown land along Barkley St. which has been an area of contention for several police incidents over the past few months. While patrolling this area, police located several homemade tire deflation devices, ie: metal plates with large spikes welded to the base, at the entrance to this plot of land. Based on the severe public safety risk of these devices, all these items were seized and removed. This file remains open for further investigation. Police are advising the public to be aware and vigilant for these and other booby traps in this area, as it is often frequented by the public.

On October 10<sup>th</sup>, the Hudson's Hope RCMP and ERT members, executed a search warrant on a residence located on Barkley St. From the search warrant, police located and seized several illegally possessed firearms, along with a stolen firearm. Four individuals have been charged with multiple charges and this file is now before the courts.

On October 11<sup>th</sup>, the Hudson's Hope RCMP conducted a road-side stop with a known suspect vehicle which has been referenced to drug trafficking. Upon approaching the vehicle, police located a known male within the vehicle who was arrestable for several Criminal Code offences, pending from a related police file. This individual became actively resistant with the police officer, therefore was taken to the ground quickly and arrested. The driver was also identified and arrested for breaching his conditions. Charges have been sought and this file is now before the courts.

On October 15<sup>th</sup>, the Hudson's Hope RCMP solved the file involving the suspicious death of a beloved family cat, which occurred on September 5<sup>th</sup>, 2023. Based on acquiring a full confession from a local resident, charges of Mischief and Causing Unnecessary Suffering to an Animal are being sought via way of a Summons. This file is now before the courts.

On October 16<sup>th</sup>, the Hudson's Hope RCMP responded to a single motor vehicle accident along the Beryl Prairie Rd. Upon the investigation, police located the driver who was found to be uninjured but was believed to be under the influence of alcohol and police later confirmed this driver to be two and a half times over the legal limit. The driver was charged for impaired driving and this file is before the courts. During the investigation, it was noted by the driver, that the cause of the accident was due to a sasquatch forcing the truck off the road and later it angrily shook the truck prior to running off into the woods upon police arriving on scene.

If anyone observes this sasquatch, do not attempt to make contact with it nor try to get a selfie with said hairy beast, and be aware that this creature does not like white pick-up trucks!

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

**Library Changes:** Updates to the YA Living Room and the Children's Library were postponed, but are still being planned for this winter! We are going to be adding fun looking sound dampening to each of these sections!

**Day Camps** – Early dismissal and non-instructional school days are confirmed for the rest of the year! The next camps are on the 10<sup>th</sup> and 24<sup>th</sup>! The Library Board will also be reviewing a budget that supports our new programming initiatives for 2024 as well! Registration for Kindergarten through Grade 6 only, capacity is dependent upon our staffing levels. Engage Sport North will continue to provide active sports and games for the morning! Library activities will include water bead crafts, colouring, making paper planes, LEGO, board games and so much more. We will be also be watching a movie mid-afternoon! Follow us on Facebook to stay up to date regarding when registration opens and when we have reached capacity!

### **BC Libraries Present: Conversations on Climate**

Climate touches everyone's lives, homes, jobs, and even their reading choices, it was a natural place to start. This series, starting in October will bring 3 compelling voices to present their recent climate-related works to a broad BC audience. (Nov 8 & Dec 7)

November 8: John Vaillant: Our New Fire Weather

Fire has changed communities across BC this year. After the most devastating wildfire season in recorded history, many are wondering how these fires got so big, what we can learn from our current responses, and whether we are prepared for an ever warming future. John Vaillant's book *Fire Weather* has become a de-facto guide on the new dangers posed by these fires supercharged by a warming planet. He'll discuss his findings on the Fort McMurray fire of 2016, to help us understand what's at stake for our cities, towns, and ecosystems.

“BC Libraries Present”: Conversations on Climate” are live-streamed events.

HHPL has this title available in our Non-Fiction section (on order) and through library card access on audiobook and eBook via Overdrive on Libby.

Follow the series on CrowdCast at: [www.crowdcast.io/](http://www.crowdcast.io/)

[@bclibraries-present](https://twitter.com/bclibraries-present) \*a project of BC's public library federa-

tions, coordinated by Public Library InterLink, with the generous financial support of the Province of British Columbia through the Ministry of Municipal Affairs.

**Walk-In Book Club:** Winter is here but we are still riding the fall vibes for our November picks! We will switch out the titles as they come due, so watch for new titles later this month!

### Shellie Howard – Programmer

I would like to Thank Amber, Nancy, Katie, Billie and Cole for being so gracious and stepping up while I was gone. I had a 4-month leave from the library while my husband was working down in Fernie, BC. I am so glad to be home and back to work.

**Tween Club** Tuesdays from 3:15 to 4:45 pm ages 9-12 only

The tween's have made costumes all October. It was great to see what they come up with, a little cardboard and glue guns can go a long way. November will be a surprise as our tweens help decide what they would like to do. Join us on Tuesdays for both Tween Club and Minecraft club for double the fun!

**Minecraft Club** Tuesdays from 5:00 to 6:00 pm ages 9-12 Play Minecraft in the library with friends!! Bring-Your-Own-Device with Minecraft bedrock edition on it; tablets, phones, Switch, or even consoles (we have 2 or 3 monitors for consoles). Other multi-player games are welcome as long as they are rated for E for Everyone. Parents please note that this does include the E 10+ rating, which is what Minecraft is rated on ESRB.

**Library Club** Wednesdays from 3:15\* to 4:30 pm Kindergarten to age 8 Wow November is a fun filled month!! Starting with November 1<sup>st</sup> we will be making Dream Catchers. November 8<sup>th</sup> is National S.T.E.M./S.T.E.A.M. Day and we are going to be making Toilet Paper Balloon Cars!! Of course you can't make balloon cars without a race!! November 15<sup>th</sup> we will be making Moustache's!! You can't go thru November without a little bit of MO-vember. The kids will be cutting and making different styles of moustaches and beards. This month we have an Early Dismissal day at school that falls on a club day, so that means on November 22<sup>nd</sup> we will be watching a movie with popcorn and juice boxes. Movie to be decided as the date gets closer. November 29<sup>th</sup> is PLAYDOH day! Don't let your kids miss out on an afternoon full of playdoh fun!!

\*Please note that the timings are shifting for

this club to better accommodate school transitions and kids going to skating. 3:15-3:30 story, 3:30-4:00 craft & activity, 4:00-4:30 board games.

**LEGO Club** Wednesdays @ 4:30 to 5:45\* pm for Kindergarten- Grade 6.  
It's fun to see the creativity in the kids as they build and create little lands and houses. Their imaginations are incredible. \*Please note the new time for club!

**StoryTime** Craft & Activity Packages only\* Parents/Guardians & Pre-K  
We have great crafts for the toddlers this month, starting with November 2nd with Paper Hand Acorns. November 9th Pompom Caterpillars. November 16th Painted feet Snowman bring your baby and toddler down and we will paint their foot and make it into a snowman. November 23rd Winter Mitten Paper Craft. November 30th Gingerbread! They will colour, glue and decorate their little paper gingerbread. \*We will no longer be having an in person Storytime. Craft packages are ready at the beginning of each week.

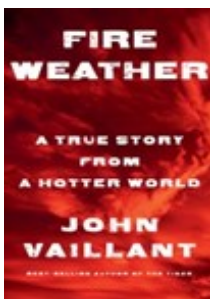

**Baby Program Interest:** If we get enough interest in a baby time program, we will be starting one up! Please do not hesitate to reach out so that we can try to schedule something that works for you!

**Teen Drop-In** Thursdays @ 5:00-7:00 pm ages 13-18.  
The teens have started some amazing paint by numbers and diamond painting art. If you are a teen and think you would be interested drop in and check it out. Come and join us and hang out!

### **Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper**

**InterLibrary Loans:** Interested in reading a book that we don't have? Why not have us order it in from another library for you?! This is a service that is provided to members for free thanks to the support of the Public Library Branch! Make your requests at [ill.hhpl@pris.ca](mailto:ill.hhpl@pris.ca) or call (250)783-9414.

**All Staff:** Need a document printed or a have a question that any of our staff can answer?  
Email us at [hlibrary@pris.ca](mailto:hlibrary@pris.ca)

### **Quote of the Month**

“The circumboreal is truly a phoenix among ecosystems: literally reborn in fire, it must incinerate in order to regenerate, and it does so, in its random patchwork fashion, every fifty to a hundred years.”

**John Vaillant**  
*Fire Weather:  
A True Story
