HUDSON'S HOPE PUBLIC LIBRARY

Mayor's Corner

Welcome to 2024 Hudson's Hope Happy New Year!

A couple of big things are coming up in the very near future, our annual Winter Festival will be coming up January 27th to February 2nd, as will the beginning of election proceedings to select a new Councillor to join the District of Hudson's Hope! If you or someone you know is interested in making a difference in your community through collaborative leadership let them know that our nomination period will be beginning in the new year! January and February promise to be busy and exciting!

For the longer term I wanted to take the opportunity to address some upcoming changes at, and dispel some confusion around, "the dump" as many of us call it (The Transfer Station).

The Hudson's Hope Transfer Station has been a feature of our community now for many years. Some of us will remember when Hudson's Hope operated its own landfill in years past, and the changes that occurred when we joined the Peace River Regional District's solid waste program. We now have a Share Shed and Transfer Bins as well as Waste Oil Collection, Wood, Metal and Appliances.

Soon the Peace River Regional District will be undertaking the next phase of upgrades to our transfer station, and there has already been a significant amount of conjecture about how our transfer station will operate in the future and what will change. Recently representatives from the Peace River Regional District attended a meeting of the Hudson's Hope Council to present on the upcoming changes.

As part of the Tier 1 Upgrade program our transfer station will see several additions and improvements, including the addition of tipping rails and bins that will allow collection of Wood and Metal Waste, as well as bulky items, in bins for transport off site rather than piling and burning/loading. The share shed will receive an upgrade and a new recycling shed will be added. An appliance bin will be provided as well, and a new Tire bunker. The used oil collection shed will also be replaced.

Site security will be upgraded, and the site layout will see some minor changes to accommodate the new bins and features.

The overall intent of the Tier 1 upgrade is to maintain the current level of service at the Hudson's Hope Transfer station. At this time no changes have been made to waste collection for the District. Appliances and Bulky items are as always accepted. Please DO NOT dump items anywhere other than at the designated transfer station or one of our regional landfills. This is not only illegal, but it detracts from the beauty of our community and quality of life for all those who live here.

The Peace River Regional District does not currently have a Yard and Garden waste program, so there will be a change in availability of the dumping area for this type of waste. The District of Hudson's Hope is discussing strategies to handle these sorts of compostable waste; however, no decisions have been made at this time. For the time being you can still bring all your compostable waste to the designated location at the transfer station.

Collection of "Vehicle Hulks" or vehicle chassis will also not be available at the Transfer Station following the upgrades, as the bins will not be able to accommodate them. The best approach in this case is to transport these large items to a scrap dealer, as this normally results in a break-even or better scenario based on the metal value of the scrap vehicle.

Collection of waste cooking oil will also not be available at the Hudson's Hope Transfer station, although this is not a change from the current level of service.

As always, if you have any questions regarding our regional solid waste strategy you can contact the Peace River Regional District's Environmental Service hotline at 1-800-670-7773, or check out the PRRD Website (<http://prrd.bc.ca/services/solid-waste-frequently-asked-questions>)

2024 Dog Tags Now available!

Perhaps the best incentive for getting your dog licensed is that it increases your chances of getting your pet back if they get lost.

Licensing your dog with the District means staff are able to contact you if someone finds your dog.

It's Easy and Inexpensive

The cost is \$10.00 if your pet is spayed or neutered or \$30.00 if they are not. Stop by and pick up your license at the District Office, it only takes a few minutes.

Reduced Fines

The Fee for a dog picked up at large is \$60.00. There is an additional fee of \$60.00 if they are not licensed (this does not include any boarding fees, if applicable).

BC ASSESSMENT

Property Assessment

Did you know?

Your property assessment significantly influences the amount of [property taxes](#) you pay. You will receive your property assessment notice from [BC Assessment](#) each year in January. Your property is assessed to determine its:

- Value
- Classification
- Exemptions (if any apply)

In most cases, the value is an estimate of your property's value as of July 1 of the previous year. To determine the value of your property, an assessor compares your property to actual sales in the same area.

Some of the characteristics the assessor compares are:

- Location
- Size
- Land surface (topography)
- Shape
- Use
- Age and condition of buildings

If you notice an issue or have a question about your property assessment, contact [BC Assessment](#) to discuss your concerns. **Please note that the deadline to file a Notice of Complaint (Appeal) is January 31, 2024.**

For more information visit bcassessment.ca

MUNICIPAL UTILITIES AND BUSINESS LICENCES

Municipal Utilities water, sewer and garbage invoices and Business Licences will be in the mail by the middle of January 2024.

Municipal Invoices must be paid by February 16th, 2024 in order to receive the discount.

Monthly Police Report

The Hudson's Hope RCMP responded to 26 calls for service between November 18th to December 18th. 29 written violations and warning tickets were issued to drivers between the above dates for various motor vehicle related offences. Highway and road safety continues to be a focus for the Hudson's Hope RCMP.

On November 29th, the Hudson's Hope RCMP received a report of an assault that occurred at the pullout near the Peace River Bridge. The complainant reported that one of their employees who was driving a transport truck, stopped at the pullout due to Mother Nature calling, and while standing there, an unknown male approached the driver and punched him for unknown reasons. The unknown male then jumped back into an older blue Chev pickup truck and took off. At this time, the assailant has not been identified. Police file: 2023-385.

On December 4th, the Hudson's Hope RCMP received a report of a theft of trailer from a work-site along the Upper Cache Rd. It was reported that a 2023 black Cana flat-deck trailer, bearing BC licence plate: 65133K, had been stolen from the site. File remains open for investigation. Police file: 2023-387.

On December 4th, we lost one of our local residents, "Rod Buster Bob" (Bob Parsons) after his long battle with his medical conditions. Though Bob lived a closed off life to many, those that were lucky enough to breach his hard-nosed barriers, he was a great friend. From the Hudson's Hope RCMP and myself, we send our condolences to all those that lost a great friend this day. Rest easy Rod Buster Bob.

On December 8th, the Hudson's Hope RCMP responded to a vehicle fire along Swanson Rd. It was reported that a work truck had caught on fire due to what's believed to be mechanical issues. The driver was able to exit the vehicle with no injuries and crews were on-site to contain and extinguish the fire.

On December 10th, the Hudson's Hope RCMP received a report of a stolen ATV from a property along Beryl Prairie Rd. It was reported that sometime between December 6th to December 10th, someone stole a 2011 Polaris 850 Sportsman ATV from this property. File remains open for investigation. Police file: 2023-395.

On December 12th, the Hudson's Hope RCMP wrapped up their 4th annual 12 Days of Christmas Giving gift drive. With the generous donations and support from the local community, residents and the following businesses and organizations, we received a generous amount of donations, toys, and gifts that will bring Christmas joy for multiple local families, seniors, and couples.

We would like to take the time to thank everyone who donated, including: Butler Ridge Energy Services, North Peace Savings and Credit Union, Hudson's Hope Minor Hockey Association & the Dis-

trict of Hudson's Hope (who provided split monetary donations from their Christmas float winnings), Johanna Dupuis, Chris and Geri Bird, and also the 2 anonymous persons who dropped off donations at the RCMP detachment.

Also, we would like to thank our partners and supporting businesses for contributing and collecting items: The Friends of Hudson's Hope Society, Hudson's Hope Elementary-Secondary School, Legacy Village Market Inc, Hudson's Hope Public Library, North Peace Hospitality, The Rustic Pantry, and the District of Hudson's Hope.

Lastly, I would like to give a huge shout out and appreciative thanks to JJ Schmidt, who was the backbone of this years event. She worked effortlessly in organizing, collecting, and providing community updates as the event unfolded. This event would not have been so successful should it not have been for you. Thank you.

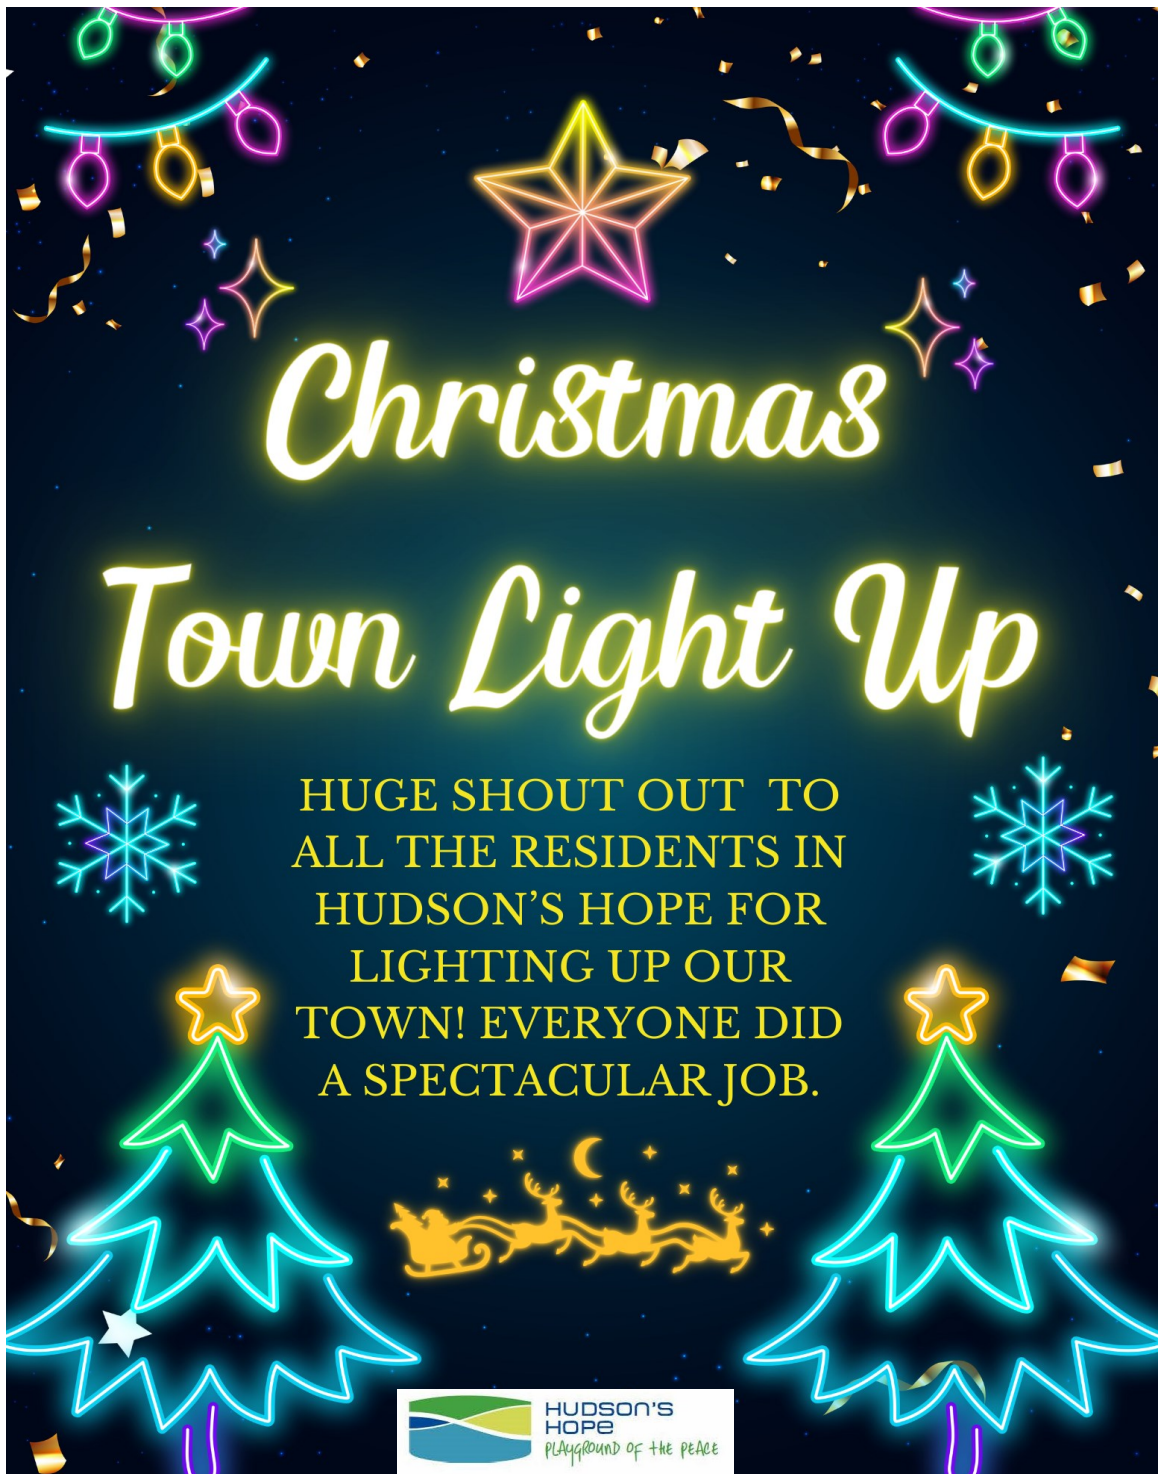

Hudson Hoper's should be proud of our sense of community cohesion.

And finally, Twas the night before Christmas and throughout the detachment, not a Corporal did stir. The stockings were hung on the wall with great care, next to some t-shirts and old underwear. I was working the night shift compiling stats, answering the phone, and feeding the deer, when all of a sudden there arose such a clatter. I leapt from my desk to see what was the matter! I opened the door with a creak and a crick, and saw a jolly red fat man, I knew right away it must be St. Nick. I had seen his picture a time or two, he was wanted, Section 321, for Break and Enter. I threw open the door and commanded him, "Freeze, put your hands on your head and get down on your knees". But, he turned and he ran, up the chimney he flew, with me in hot pursuit. When we got to the roof, St. Nick made for his sleigh, throwing down toys and blocking my way. As I got to the peak, he threw down some sleet, I slipped and I feel, landing flat on my back. To my front, I was faced with a toy M-1 tank, and pink Power Rangers to my flank. "On Dasher, on Dancer" St. Nick cried loud and clear. Then I got off three rounds and dropped the lead deer. And I heard as he sailed into the blue, "Merry Christmas to all, my lawyers will sue!"

From everyone at the Hudson's Hope RCMP detachment, we wish everyone a safe and Merry Christmas.

Anyone with information regarding current or past investigations can contact the Hudson's Hope RCMP directly at 250-783-5241 or anonymously through Crime Stoppers at 1-800-222-8477. Visit <http://crimestoppersnebc.ca> for advice on submitting tips online and to browse the areas "Most Wanted" page.

JANUARY AT THE HUDSON'S HOPE MUSEUM

The Hudson's Hope Historical Society wishes everyone a Happy New Year. May you enjoy a great 2024!

We are pleased to announce that **“Our Hudson's Hope Cowboys Packers on the Trail”** Exhibition is once again on display at the museum. This is an award-winning exhibit showcasing local Hudson's Hope Cowboys on the Bedaux Expedition in 1934.

The Museum will be celebrating **National Hat Day on January 15th**.

Hats were both practical and symbolic. Women wore hats to protect them from the sun and cold but also to demonstrate which social class they belonged to. Come visit our unique hats display. On display will be hats from Mrs. Elizabeth Beattie, Mrs. Birosh, and others.

The museum will resume its winter hours on January 8th. Open Monday – Friday 9am-4:30pm.

Next Hudson's Hope Historical Society meeting January 17, 2024, at 5pm at the Museum. We welcome everyone who would like to attend.

District of Hudson's Hope Bylaw Information

Election and Assent Voting Bylaw No. 940, 2023

Was received by Council and given First, Second and Third readings at the November 14, 2023 Regular Council Meeting. The Bylaw No. 940, 2023 was adopted at the November 27, 2023 Regular Council Meeting.

Mail Ballot Procedures - Mail ballot voting procedures are more clearly articulated in the new bylaw. The rapid increase in mail ballot voting during COVID-19 resulted in new guidance and best practices for administering and managing the mail ballot voting process. In the new bylaw, the Chief Election Officer (CEO) can establish different registration procedures for mail ballot voting and determine where mail ballots will be accepted for return.

With the adoption of Election and Assent Voting Bylaw No. 940, 2023 the following by-laws and their amendments are hereby repealed: a) District of Hudson's Hope Election Bylaw No. 839, 2014; and b) District of Hudson's Hope Mail Ballot Authorization and Procedure Bylaw No. 753, 2008.

The District of Hudson's Hope will strive to post the most recently adopted Bylaws in the Bulletin along with a short description of the Bylaw. To view the bylaws in their entirety, visit our website hudsonshope.ca, click on District Office, then choose Bylaws from the drop down menu. Here you will find information and a link for local bylaws. If you are unable to access our website, stop by the District Office or phone 250-783-9901 for more information.

Elf on the Shelf: Congratulations to our basket winners! Arieanna Adams won baby/toddler, Nolan Scott tween/teen, Carter Gonwick got the kids basket and Katie Norton received the adult basket! Thank you so to all of our dear library supporters that donated toward the elf on the shelf promotion. This year our total four baskets was nearly \$1700! We thank each of the following individuals and companies for their gener

Diania Harris: A huge thank you for the cash donation!

Day Camp Funding - We are seeking funders to sponsor day camps, as they cost at least an additional \$250 for each camp for supplies and additional staff support. In addition to that cost, there are 19 regular staff hours that are redirected for every day camp! This brings the daily camp cost between \$500 and \$600 to provide these free camps for our community. Redirecting staff hours instead of allocating additional hours decreases services elsewhere in the library, so we rely on community support and sponsorship as a key element to keep these camps going and sustaining ongoing initiatives.

Walk-In Book Club: See quote section at the end of our blurb for current titles and due dates. Everyone is welcome to read the titles for this club. We share names of club members with other club members so that you can talk about the book when you run in to one another when you're out and about.

Walking Book Club: We are starting up a new smaller club that will be taking winter walks to talk about our book club picks of the month! We tend to keep these clubs small, so the first one is already at capacity! If you are interested in starting your own new book club or another walking book club, do not hesitate to reach out to get one started!

North Peace Savings Unplug and Play Family Literacy Week:

We are so excited that North Peace Savings is supporting family literacy week at our library this

year! We received an \$1100 donation toward our family literacy week events. We are planning special programming for Tween Club, Library Club and Teen Club as well as additional events with a board game day and a LEGO challenge! We will have more details as everything comes together this month. Check out our social media and PSA for more details and an online challenge.

Shellie Howard – Programmer

Well I hope everyone had a fantastic holiday break, I know I sure did!!!

Tween Club Tuesdays from 3:15 to 4:45 pm ages 9-12 only

Tween club starts back on January 9th, we will be looking into some new craft ideas for the tweens in addition to the crafts they are currently enjoying, like fuse beading and games. We will discuss ideas of what the tweens might want try, so if your tween has any cool ideas, they just need to let me know. Watch for special additions for Family Literacy Week!

Minecraft Club Tuesdays from 5:00 to 6:00 pm ages 9-12

Minecraft has been going very well, if you are in to Minecraft and want to play with your friends this is a great time to come on down and join in!!! If you want to learn, this is a good time to start, we have some experienced players who would gladly help you get started.

Library Club Wednesdays from 3:15 to 4:30 pm Kindergarten to age 8

Library Club starts back on January 10th, this is Snowman month!!! Do you want to build a Snowman??? I'll bet you sang that line! Starting with the 10th we will be making a paper cupcake snowman. The 17th we will be making a melting snowman. The 24th is our Family Literacy Day and the 31st is making me and my snowman!!! Watch for special additions for Family Literacy Week!

LEGO Club Wednesdays from 4:30 to 5:45 pm for Kindergarten- Grade 6.

LEGO club has been super busy and fun. The kids work alone, in pairs and in groups to make great LEGO boards and builds. The 24th will be a special lego club for our Literacy week.

Teen Drop-In Thursdays @ 5:00-7:00 pm ages 13-18.

The teens have been busy painting or working on diamond art! These are all provided by the library but if you have one at home and you want to bring it down you are more than welcome to. We have tons of room and lots of space so you can spread out anywhere in the library, because we are only open for teens from 5:00-7:00! We are more than willing to help your teen get started on any craft they are wanting to do. If you have any questions, please feel free to call, email or stop in and see me. Watch for special additions for Family Literacy Week!

Nancy Smith, InterLibrary Loan (ILL) Librarian & Bookkeeper

InterLibrary Loans: Did you know that many libraries have limits on loaning new books outside of their library system? We do as well. That means that if you request a new title, you are unlikely to get it but it is still worth a try. Send ILL requests to ill.hhpl@pris.ca or call (250) 783-9414.

All Staff: Need a document printed or have a question that any of our staff can answer? Also note that you can make a request for our library to purchase a title, and Amber or Shellie will decide whether or not to bring it in. Email these types of requests to hlibrary@pris.ca

HUDSON'S HOPE CLUBS AND ORGANIZATIONS

FINANCIAL ASSISTANCE GRANTS

Application deadline is February 15, 2024

Council is now accepting applications from non-profit clubs and organizations requesting funding assistance in 2024

The District of Hudson's Hope recognizes that valued contributions are being provided through volunteer efforts of local organizations and agencies that benefit the community. The **Financial Assistance Grant** demonstrates Council's commitment to working with local groups that provide these beneficial programs, services or projects to the community while at the same time recognizing the financial constraints of the District.

1. The primary purpose of Financial Assistance Grant is to assist the organization for a specific capital project or local event that benefits the residents of the District of Hudson's Hope;
2. The financial assistance includes donation of time, facilities and District inventory (tables, chairs, etc.);
3. Grants will not be provided for travel expenses;
4. The applicant organization must be registered as a Society in either the Province of British Columbia and/or Canada, and includes organizations that belong to a parent Society in Canada; and
5. Upon completion of the project, the applicant must submit a final report to the District outlining how funds were expended.

For full application details please visit our website at:

<http://hudsonshope.ca/residents/clubs-services/>

PLEASE NOTE: A report must be submitted if your organization received a grant for 2023, otherwise a grant application for 2024 will not be approved.

Applications should contain all ***assistance requests for the year***, including waivers, in-kind donations and other donations, eg: complimentary recreation admission requests.

Forms may be picked up at the District Office

Should you have any questions, please contact the District Office at 250-783-9901

Thank You

Heating Safety

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- » Keep anything that can burn at least three-feet away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- » Have a three-foot "kid-free zone" around open fires and space heaters.
- » Never use your oven to heat your home.
- » Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- » Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- » Remember to turn portable heaters off when leaving the room or going to bed.
- » Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- » Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- » Test smoke alarms monthly.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January, and February.**
