

# ADDENDUM No. 1

## Tender No. PW02-2026 – Supply of Picnic Tables

This Addendum forms part of the Tender Documents and shall be read, interpreted, and coordinated with all other parts. The following revisions and clarifications supersede any conflicting provisions of the original Tender Documents.

### 1. Revision to Specifications - Hardware

Under **Section B. Nature and Scope of Work**, the following sentence:

“All hardware on stress points of tables shall be 3/8-inch x 3.5-inch chrome plated carriage bolts, washers and lock nuts.”

is deleted in its entirety and replaced with:

“All hardware on stress points of tables shall be 3/8-inch x 3.5-inch **hot-dip galvanized steel** carriage bolts, washers and lock nuts.”

### 2. Question and Answer – Lumber Dimensions

#### Question:

It specifies all lumber as nominal 2x6 pressure treated, but the dimensional drawings and photo appear to show that the table top support boards and the leg braces are 2x4. Please clarify.

#### Answer:

For clarity, all lumber for the picnic tables shall be nominal 2x6 pressure treated lumber, including the table top support boards and leg braces. The dimensional drawings and photo are intended as general reference only and do not override the written specification.

### 3. Revision to Implementation Schedule

Under Section I. Implementation Schedule, the date for **Completion of Supply of Picnic Tables Contract** is revised from:

Thursday, May 14, 2026

to:

**Thursday, May 28, 2026**
